**The Chicago Tribune**

In a newspaper for bright and intelligent people. It is made up of the best people who think. It is not neutral or colorless, constantly striving to be an enlightener to please both sides, but it is independent in the true sense of the word. It has pronounced opinions and is fearless in expressing them; but it is always fair to its opponents. Millions of national or vital public interests get more space in THE TRIBUNE than in any other paper in the West. For these reasons it is the newspaper you should read during the forthcoming political campaign. THE TRIBUNE'S financial columns never mislead the public. Its facilities for gathering news, both local and foreign, are far superior to those of any other newspaper in the West. It presents the news in a fair way as possible, and lets the readers form their opinions. While it publishes the most comprehensive and accurate news of all news features, if you are busy the "summary" of THE DAILY TRIBUNE published daily on the first page gives you every all the news of the day within one column. Reporting news is always the best, and its accuracy is beyond question. It is the "standard" paper in the country. It is the "standard" daily printed in the West.

**"Obstinate"**

**Becky Jones,**

of Ballston Spa, N. Y., received the above title because she would not testify in the celebrated Hammersly will case several years ago, and consequently was confined in the Ludlow street jail by the State Judge. She says in a letter recently received:

"When I was released from prison my health was broken down. My nervous system could not recover from the strain. For ten years life was a burden. Good physicians did me no good. I used Dr. Miles' Nervine and Tonic and today I am entirely well."

**GEO. BATEMAN C.M. LILJEDAHN**

The Eminent Kidney and Bladder Specialist.

The Discoverer of Swamp-Root at Work in His Laboratory.

There is a disease prevailing in this country most dangerous because so deceptive. Many sudden deaths are caused by it—heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the kidney-poisoned blood will attack the vital organs, or the kidneys themselves break down and waste away cell by cell. Then the richness of the blood—the albumen—leaks out and the sufferer has Bright's Disease, the worst form of kidney trouble. Dr. Kilmer's Swamp-Root the new discovery is the true specific for kidney, bladder and urinary troubles. It has cured thousands of apparently hopeless cases, after all other efforts have failed. At druggists in fifty-cent and dollar sizes. A sample bottle sent free by mail, also a book telling about Swamp-Root and its wonderful cures. Address Dr. Kilmer & Co., Binghamton, N. Y., and mention this paper.

Sold by Bush & Simonson, druggists.

**A GOOD COUGH MEDICINE.**

It speaks well for Chamberlain's Cough Remedy when druggists use it in their own families in preference to any other. "I have sold Chamberlain's Cough Remedy for the past five years with complete satisfaction to myself and customers," says Druggist J. Goldsmith, Van Eton, N. Y. "I have always used it in my own family, both for ordinary coughs and colds and for the cough following in grippe, and find it very efficacious." For sale by Bush & Simonson, druggists.

**A LIFE AND DEATH FIGHT.**

Mr. W. A. Hines, of Manchester, Iowa, writing of his almost miraculous escape from death, says: "Exposure after measles induced serious lung trouble, which ended in Consumption. I had frequent hemorrhages, and coughed night and day. All my doctors said I must soon die. Then I begged to use Dr. King's New Discovery, which wholly cured me. Hundreds have used it on my advice, and all say it never fails to cure Throat, Chest and Lung troubles." Regular size, 50c and \$1. Trial bottles free at Bush & Simonson's Drug Store.

are practically annihilated by the ocean cables and land telegraph systems which now belt the circumference of Old Earth in so many different directions. "Foreign parts" are no longer foreign in the old meaning of the term. Europe, Africa, Asia, are "next door" to us. What happens there to-day we know to-morrow—if we read THE CHICAGO RECORD, whose Special Cable Correspondents are located in every important city in the world outside of the United States. No other American newspaper ever attempted so extensive a service; and it is supplemented by the regular foreign news service of The Associated Press. For accurate intelligence of the stirring events which are shaking the nations—of wars and rumors of wars—of the threatening dissolution of old governments and the establishment of new—of the onward sweep of the race in all parts of the world—the one medium of the most satisfactory information is the enterprising, "up-to-date" American newspaper, THE CHICAGO RECORD.
