The Chicago Tribune

For brighter and intelligent people, it is made up to attract people who think. It is not neutral or colorless, constantly referring to the interests of the people. It is independent in the best sense of the word. It has pronounced opinions and is fearless in expressing them, but it is always fair to its opponents.

It contains national or vital public interest and more space in **THE TRIBUNE** than in any other paper in the West.

For these reasons it is the newspaper you should read during the forthcoming political campaign.

THE TRIBUNE'S financial columns never contained the public.

Its facilities for gathering news, both local and foreign, are far superior to those of any other newspaper in the West.

It publishes the news in as plain a way as possible and lets the readers form their own opinions. It publishes the most comprehensive news on all news features, if you are busy the **Summary of THE DAILY TRIBUNE** published daily on the last page gives you all the news of the day without any other reading.

It is the only paper in the West, and the only one in the country, that publishes the **Summary of THE DAILY TRIBUNE** published daily on the last page gives you all the news of the day without any other reading.

NONE SO GOOD.

For sale by **GEO. BATEMAN C.M. LILJEDAHL**

The Eminent Kidney and Bladder Specialist.

There is a disease prevailing in this country most dangerous because so deceptive. Many sudden deaths are caused by it—heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to attack the kidney-poisoned blood will attack the vital organs, or the kidneys themselves break down and waste away cell by cell. Then the richness of the blood—the source of life—leaks out and the sufferer has Bright's Disease, the worst form of kidney trouble.

Dr. Williams' Swamphoot is the new discovery in the treatment of kidney, bladder and urinary troubles. It has cured thousands of apparently hopeless cases. After all other efforts have failed, a single bottle sent free will show you its power. A single bottle sent free will show you its power. A single bottle sent free will show you its power.

Send for a book telling about Swamphoot and its wonderful power. Address Dr. Williams' Pink Pills, 233 N. 2nd St., New York, N. Y., and the book will be sent you.

TIME AND SPACE

are practically annihilated by the ocean cables and land telegraph systems which now belt the circumference of Old Earth in so many different directions. “Foreign parts” are no longer foreign in the old meaning of the term. Europe, Africa, Asia, are “next door” to us. What happens there to-day we know to-morrow—if we read **THE CHICAGO RECORD**, whose Special Cable Correspondents are located in every important city in the world outside of the United States. No other American newspaper ever attempted so extensive a service; and it is supplemented by the regular foreign news service of The Associated Press. For accurate intelligence of the stirring events which are shaking the nations—of wars and rumors of wars—of the threatening dissolution of old governments and the establishment of new—of the onward sweep of the race in all parts of the world—the one medium of the most satisfactory information is the enterprising, “up-to-date” American newspaper, **THE CHICAGO RECORD.**

FREE A large map of the world on Mercator's Projection, about 23 1/2 x 16 inches in size, beautifully printed in colors, with a large-scale map of Europe on the reverse side, will be mailed to any address free of charge on receipt of request accompanied by two 2-cent stamps to cover postage and wrapping. The maps illustrate clearly how comprehensively the special cable service of **THE CHICAGO RECORD** covers the entire civilized world. Address **THE CHICAGO RECORD**, 181 Madison street, Chicago.
