The Chicago Tribune

is a newspaper for bright and intelligent people. It is made up to attract people who think and desire to be satisfied, constantly striving in an endeavor to please both sides, but it is independent in the best sense of the word.

It has pronounced opinions and is fearless in expressing them, but it is always fair to its opponents.

It contains national or vital public interest and news space in THE TRIBUNE than in any other paper in the West.

For these reasons it is the newspaper you should read during the forthcoming political campaign.

THE TRIBUNE'S special columns never contain the public.

Its facilities for gathering news, both local and foreign, are far superior to those of any other newspaper in the West.

It presents the news in as fair a way as possible, and lets its readers form their own opinions.

While it publishes the most comprehensive articles on all news features, if you are busy the "Summary of THE DAILY TRIBUNE" is the best guide to the day's news, giving you briefly all the news of the day within one column.

It is the only newspaper in the West, and the only one that publishes a "Summary of THE DAILY TRIBUNE" in its morning edition.

Suffered Twenty-five Years

66I suffered for twenty-five years from heart trouble, and tried endless remedies without relief. I steadily grew worse and became unable to lie down; my heart would palpitate and flutter, and at times it seemed as though I could not get my breath. I used three bottles of Dr. Miles' Heart Cure, and thank God I am enjoying good health as a result. It cured me.

The Eminent Kidney and Bladder Specialist.

The Mover of Swamp-Root at Work in His Laboratory.

There is a disease prevailing in this country most dangerous because so deceptive. Many sudden deaths are caused by it—heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the kidney-poisoned blood will attack the vital organs, or the kidneys themselves break down and waste away cell by cell. Then the richness of the blood—the albumen—leaks out and the sufferer has Bright's Disease, the worst form of kidney trouble.

Dr. Kilmer's Swamp-Root is the new discovery is the true specific for kidney, bladder and urinary troubles. It has cured thousands of apparently hopeless cases, after all other efforts have failed. At druggists in fifty-cent and dollar sizes. A sample bottle sent free by mail, also a book telling about Swamp-Root and its wonderful cures. Address Dr. Kilmer & Co., Binghamton, N. Y., and mention this paper.

TIME AND SPACE

are practically annihilated by the ocean cables and land telegraph systems which now belt the circumference of Old Earth in so many different directions. "Foreign parts" are no longer foreign in the old meaning of the term. Europe, Africa, Asia, are "next door" to us. What happens there to-day we know to-morrow—if we read THE CHICAGO RECORD, whose Special Cable Correspondents are located in every important city in the world outside of the United States. No other American newspaper ever attempted so extensive a service; and it is supplemented by the regular foreign news service of The Associated Press. For accurate intelligence of the stirring events which are shaking the nations—of wars and rumors of wars—of the threatening dissolution of old governments and the establishment of new—of the onward sweep of the race in all parts of the world—the one medium of the most satisfactory information is the enterprising, "up-to-date" American newspaper, THE CHICAGO RECORD.

A large map of the world on Mercator's Projection, about 25x18 inches in size, beautifully printed in colors, with a large-scale map of Europe on the reverse side, will be mailed to any address free of charge on receipt of request accompanied by two 3-cent stamps to cover postage and wrapping. The map illustrates clearly how comprehensively the special cable service of THE CHICAGO RECORD covers the entire civilized world. Address THE CHICAGO RECORD, 181 Madison Street, Chicago.
