For Coroner Newton E. Matter For Surveyor Geo. W. Wilson

The notorious John Alexander Dowie of Lion fame is reaching out in the sub-Friend of Zion" in Downers Grove week

The state board of equalization met a oringfield last week but took a recess no all the 20th, because the reports of severa of the county boards were not yet in. Several counties have entered protests against the action of the Cook county board in lowering the assessment in the county and ome of the members of the state board are likely to make a lively fight over the

The annual exposition for DuPage counby has again been held and the books show a loss. The gate receipts were not enough to pay premiums and running expenses. If the residents of the county do not want a fair, the grounds will revert back to the I.C. Wheaton estate. A trust deed for cerned. There are neither charts, maps, 300 is a lien on the property, and when trails or sign posts, and the official exthe interest cannot be kept up, foreclosure plorer will be beset with numerous diffiseedings will be in order.

The republicans should tolerate no erther delay in organizing for the local mealgn. But seven weeks remain befor election, and these weeks should be from over to a progressive campaign which can be made as prolific of good resalts as the campaign of four years ago, then Downers Grove was the banner republican township in the state. A local resolvation should be formed at once and meetings held weekly until election.

Downers Grove has reason to be gratified at the excellent showing it has made in sepast of its population. According the commun returns it has a population 2100 which is exclusive of several hundred sople who are practically residents, but Ive just outside the corporate liner. In 200 the population was only 960. The 110 per cent, which is a very satisfactory Memorial Library, in the middle of the ain during the last decade, and one which city. be towns can equal.

Governor Rossevelt's letter formally ng the Republican nomination for office of vice president demonstrates de capacity to deal successfully with imortant national issues in any positions to nich he may be called. It is a very forepresentation of the reasons why the comblican party appeals to the voters of a nation for a continuance of the present stration for another term of four and it cannot fail to produce a lastimpression upon the mind of every citwho will read it carefully. Governor posswelt meets boldly and frankly all the raised by the Bryanites, just as at McKinley did, and their letters acceptance furnished unanswerable sente against the sophistries and falice of the Bryanites.

> The dangers of the grade crossing at the intersection of the Burlington tracks and Maple avenue, is being made the subject of petitions to the efficials for some method of lessening the danger, either by maintaining gates, or raising the tracks, and cutting the street through under. The crossing is a menace to life and limb, es pecially so to children who are compelled to cross it on the way to school, and some means of protection should be provided.

The October grand jury it is said will investigate blind pigs in DuPage county and Hipsdale and Lisle may come in for some attention. Singular as it may seem blind-pigs are unknown animals so far as the circuit court in recent terms is conculties in locating the breed in DuPage county. But if anyone sojourning in Liste or Hipsdale has the price of a case in his pocket, he can easily exchange his wealth for a comfortable "jag" on short notice.

> Coroner N. E. Matter was summoned to Naperville on last Saturday morning to hold an inquest on the body of an unknown man, who was struck by a west bound passenger train about seven o'clock on Friday evening. Nothing whatever could be ascertained as to the identity of the man, the body being so herribly mangled that no description could be secured by the coroner's jury. A can of cooked meat and a partly eaten baker's roll, was found near the scene of the accident and upon inquiry it has been ascertained that a stranger purchased a can o ment at Boettger Bros, market and a half dozen rolls at Heydon's bakery about six o'clock on Friday evening. The purchaser is described as being a man of sandy complexion and about 45 or 50 years of age. druggists. Sectionman Martin heard the passenger train's signal of danger and its sudden stop, and hastened to the track where he met the conductor and brakeman who said they feared a man had been killed. The remains were found scattered along eight rail lengths both between and out side the tracks. A dump car was secured and the fragments loaded up and taken to the depot until the coroner arrived. The remains were taken to the county farm for interment.
