WHO ARE ALWAYS SUFFERING?

I do not feel very well, I am tired all the time. I do not know what is the matter with me.

You hear these words every day and often are these words repeated. You are tired, you are nervous, you are not doing well, you are not feeling like yourself, and you do not know what is the matter with you.

Mrs. Ella Rice, of Chicago, whose portrait we publish, writes that she suffered for two years with bearing-down pains, headache, backache, and had all kinds of nervous troubles, all of which were caused by falling and inflammation of the uterus, and after doctoring with physicians and using various medicines she was entirely cured by

Lydia E. Pinkham's Vegetable Compound.

If you are troubled with pain, fainting spells, depression of spirits, reluctance to go anywhere, headache, backache, and always tired, please remember that there is an absolute remedy which will relieve you of your suffering as it did Mrs. Rice.
