AROUND THE COUNTY. INTERESTING NEWS NOTES TAKEN FROM EXCHANGES. Masters of Prominence Concerning Places and People in DuPage County and Surroundings. The court cases on trial this term are long ones. If all are tried, court will be in session several weeks longer. The corner stone of the new Wheaton Methodist church is to be laid by Bishop Merrill Saturday, October 27th. The exercises will commence promptly at two o'clock. The electric railroad is having some trouble getting a foundation for their bridge at the DuPage crossing at Warrenville. A steam pump is being put in which will be run night and day to keep the water out of the trenches. Judge Brown adjourned court Thursday last at two o'clock to enable those who wished to attend the funeral of Captain M. E. Jones. The captain was the sheriff of the county for four years and an officer of the court. The funeral was a very large one and was in charge of the G. A. R. of which organization nearly sixty were present, coming from Chicago and all of the adjoining towns. The flag which covered the casket was buried with him. There is not a cemetery in the county which should allow interment to be made therein without a certificate of death. This county being in such close proximity to Cook county, vice and crime can be covered up by the open door policy which our cemetery boards practice. The laws are very strict in Cook county as regards death certificates, and this county will be made the dumping ground for suspect cases if cemetery associations do not awake from their long sleep—Illinois. The case which was taking the attention of the court last week is that of the Calumet Stock Farm vs. the Northwestern Railroad. In the early nineties Roy Wilkes was kept at that farm near Geneva and in shipping him to some race the car in which he was housed was run into by other cars on a side track. Roy Wilkes held the track record at that time and was valued at \$50,000. It is set up in the evidence he was injured by the accident to the amount of \$25,000, but after the alleged injury he went on the track and lowered his record from 2.7 1/2 to 2.6 1/4. The body of the "unknown man" found at Granger on October 31 proved to be that of William Sleep of Bloomington. It seems strange that of the fifty or more who viewed the remains from the neighborhood where he had worked and was acquainted, none should recognize him. On Monday J. F. Goodwin, his stepfather, came down from Bloomington and after comparing notes with the coroner was sufficiently convinced it was his stepson, to order a disinterment of the body. A barbed wire cut on the left leg was conclusive evidence and the body was removed to the family lot in the Bloomington cemetery. Mr. Sleep had had his mustache shaved off a few days prior to his death and as the upper portion of his face had been smashed accounts for no one recognizing the features. The question at the core of this campaign is a very simple one. Isn't it better to be safe than to be sorry? In other words isn't it wiser to put in the White House for four years to come a man who is pledged to maintain the gold standard than to put there a man who is pledged to strike it down (and the Nation's credit with it) if he can? The voters of the town of Downers Grove and other townships in the county should see that their names are properly registered with the town board, which meets for the last time before election on Tuesday, October 30. Be sure and have your name on the list or you may lose your vote. "Let well enough alone" is a good motto to follow in politics as well as in the other affairs of life. Why should any change be made in the government of national affairs when there is no possible hope of improving the conditions that prevail by making a change? Prosperity continues to be the paramount issue of the republicans, and it is a sound and substantial issue that exists everywhere. Vote for a Republican State Legislature which will elect a Republican to the United States Senate. Remember that in voting for candidates for the Legislature you are voting for United States Senators. You voted for prosperity and got it. Will you now vote against it? Whedon, Cashier of the First National Bank of Winterset, Iowa, in a recent letter, gives some experience with a carpenter in his employ that will be of value to other mechanics. He says: "I had a carpenter working for me who was obliged to stop work for several days on account of being troubled with diarrhoea. I mentioned to him that I had been similarly troubled, and that Chamberlain's Colic, Cholera and Diarrhoea Remedy had cured me. He bought a bottle of it from the druggist here and informed me that one cured him, and he is again at his work." For sale by Bush & Simonson, druggists. ADMINISTRATOR'S NOTICE.
