Indianapolis, Ind., Nov. 16, '90. Pepsin Syrup Co., Dear Sirs:—We have been keeping house for five years and are never without Dr. Caldwell's Syrup Pepsin. We find nothing to equal it for stomach troubles, and my children like it as well as candy. One night recently my wife was giving a dose to our baby, (1 1/2 years old), and Nelda, (our little girl, 4 years old) cried for some, too. Her mamma told her she didn't need it and then she said: "Can't I lick the spoon?" It is so pleasant to take, the effects are so good, we have to be without Dr. Caldwell's Syrup Pepsin. Yours truly, Lela D. Worthen, Mgr. Excelsior Hotel. Sold by Bush & Simonson, druggists.

Help... Nature

Babies and children need proper food, rarely ever medicine. If they do not thrive on their food something is wrong. They need a little help to get their digestive machinery working properly.

will generally correct this difficulty. If you will put from one-fourth to half a teaspoonful in baby's bottle three or four times a day you will soon see a marked improvement. For larger children, from half to a teaspoonful, according to age, dissolved in their milk, if you so desire, will very soon show its great nourishing power. If the mother's milk does not nourish the baby, she needs the emulsion. It will show an effect at once both upon mother and child.
