Well as Men
Miserable by
Kidney Trouble.

Kidney trouble has become the most common form of disease. Nearly every other person you meet has some form of kidney trouble. Backache is the first symptom. Then comes the first effort of the child to be born. Then weak kidneys. If the child urinates too often, if the flow is painful or scanty, if the child wets the bed when it should be able to control the passage, it is yet afflicted with kidney trouble. Then comes the first suffering of the mother. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women and men are made miserable with kidney and bladder trouble, and both need the same great remedy. The quick and the marvelous effect of Dr. Kilmer's Swamp-Root is soon realized. It is sold by druggists in fifty cent and one dollar sizes. You may have a sample bottle by mail free, also pamphlet telling all about it, including many of the thousands of testimonial letters received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper.
