#### COLORADO.

That is the title of a very beautiful seventy-two-page book published by the C. B. and Q. railroad. It is most entertaining and informative, besides being illustrated with exceptionally fine engravings. The rates to Colorado are so cheap this year that many will take their vacation there. They should ask the C. B. and Q. ticket agent for this book. Price, 6 cents.

## Getting Thin

is all right, if you are too fat; and all wrong, if too thin already.

Fat, enough for your habit, is healthy; a little more, or less, is no great harm. Too fat, consult a doctor; too thin, persistently thin, no matter what cause, take Scott's Emulsion of Cod Liver Oil.

There are many causes of getting too thin; they all come under these two heads: over-work and under-digestion.

Stop over-work, if you can; but, whether you can or not, take Scott's Emulsion of Cod Liver Oil, to balance yourself with your work. You can't live on it—true—but, by it, you can. There's a limit, however, you'll pay for it.

Scott's Emulsion of Cod Liver Oil is the readiest cure for "can't eat," unless it comes of your doing no work—you can't long be well and strong, without some sort of activity.

The genuine has this picture on it, take no other.

If you have not tried it, send for free sample, its agreeable taste will surprise you.
