DAN GROSVENOR SAYS: "Peruna is an Excellent Spring Catarrh Remedy—I am as Well as Ever."

HON. DAN A. GROSVENOR, OF THE FAMOUS OHIO FAMILY. Hon. Dan A. Grosvenor, Deputy Auditor for the War Department, in a letter written from Washington, D. C., says: "Allow me to express my gratitude to you for the benefit derived from one bottle of Peruna. One week has brought wonderful changes and I am now as well as ever. Besides being one of the very best spring tonics it is an excellent catarrh remedy." Very respectfully, Dan A. Grosvenor.

catarrh I can thoroughly recommend Peruna. I know what it is to suffer from that terrible disease and I can speak for its duty to speak a word for the relief that it affords. I have had a bad case of catarrh and I know it will cure any other sufferer from that disease." Mrs. Mattie L. Guild, President Illinois Young People's Christian Temperance Union, in a recent letter from Chicago, Ill., says: "I doubt if Peruna has a rival in all the remedies recommended for the cure of catarrh of the system. A remedy that will cure catarrh of the stomach will cure the same condition of the stomach membrane anywhere. I have tried the best remedy I have ever tried for catarrh, and believing it worthy my endorsement I gladly give my name."

Mrs. Elmer Fleming, officer of Reservoir Council, No. 108, Northwestern Legion of Honor, of Minneapolis, Minn., writes from 2835 Polk St., N. W.: "I have been troubled all my life with catarrh in my head. I took Peruna for a about three months, and now I think I am permanently cured. I believe that for catarrh in all its forms, Peruna is the medicine of the age. It cures when all other remedies fail. I can heartily recommend Peruna as a catarrh remedy." The spring is the time to treat catarrh. Cold, wet winter weather often retards a cure of catarrh. If a course of Peruna is taken during the early spring months the cure will be prompt and permanent. There can be no failure if Peruna is taken intelligently during the favorable weather of spring. As a systemic catarrh remedy Peruna eradicates catarrh from the system wherever it may be located. It cures catarrh of the stomach or bowels with the same certainty as catarrh of the head. If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case and he will be pleased to give you his valuable advice gratis. Address Dr. J. C. Hartman, President of the Hartman Sanitarium, Columbus, O.
