How dear to my heart is the old sil-
ver dollar, when some kind subscriber
presents it to view; the liberty head
without necktie or collar and all the
strange things which to us seem so
new; the wide spreading eagle, the
arrows below it, the stars and the
words with the strange things they
tell; the coin of our fathers we're glad
that we know it, for some time or
other will come in quite well; the
spread eagle dollar, the star spangled
dollar, the old silver dollar we all love
so well.
