A UNITED STATES MARSHAL

Thanks Peruna For His Rapid Recovery From Catarrh.

EX-UNITED STATES MARSHAL MATTHEWS, OF MISSISSIPPI.

Hon. S. E. Matthews, ex-United States Marshal of Mississippi, in a recent letter to The Peruna Medicine Company of Columbus, Ohio, written from Hazelhurst, Miss., says:

"I am happy to say that I am cured of catarrh and need no more attention from you. It is a great satisfaction that I am able to write you that Peruna has in my case done all that you claim, and that I will need no more medicine."

The great multitude take this remedy without any other advice than the directions to be found upon the bottles and in the pamphlets. There are those who prefer, however, to correspond with Dr. Hartman during their absence...

Hon. J. F. Crocker, Supt. Buffalo, N. Y. Public Schools.

Hon. B. B. Doylner, Congressman from West Virginia, in a letter from Washington, D. C., to The Peruna Medicine Co., says the following of their catarrh remedy, Peruna:

PERIODS OF PAIN.

How Three Women Found Relief.

While no woman is entirely free from periodical suffering, it does not seem to have been the plan of nature that woman should suffer so severely.

The three letters here published should encourage every woman who suffers:

"DEAR MRS. FINKHAM:—I have suffered since the age of sixteen with painful menstruation. I have been treated for months, and was told that the womb had fallen a little. The doctor says that is now in place again, but I still have the same pain. Please tell me what to do."

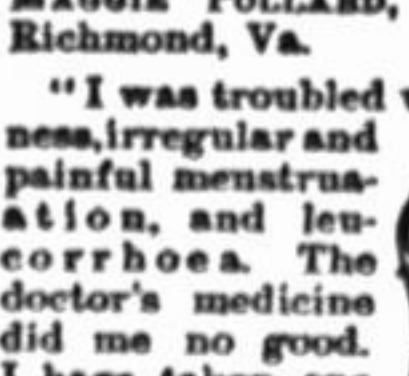

"I have tried a doctor, but he did not seem to do me any good."

"DEAR MRS. FINKHAM:—After receiving your reply to my letter of Aug. 6 I followed your kind advice, and am glad to tell you that I have been cured of the severe pain at time of menstruation through the use of Lydia E. Pinkham's Vegetable Compound."

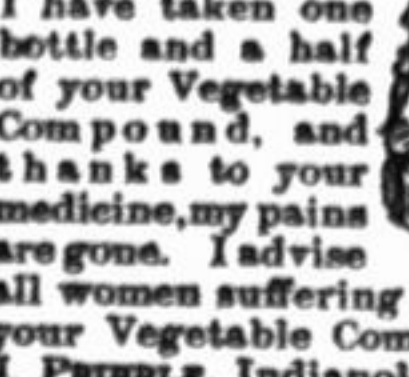

"I was troubled with female weakness, irregular and painful menstruation, and leucorrhoea. The doctor's medicine did me no good."

"I would like to have you use my testimonial, so that others may see, and be inspired with hope, and take your medicine."

"I have taken one bottle and a half of your Vegetable Compound, and thanks to your medicine, my pains are gone."

"My menstruation occurs every two weeks, lasts a week, and is painful. I have been troubled in this way for some time. I suffer from sick headache and backache all the time, appetite is gone."

"I have taken one bottle and a half of your Vegetable Compound, and thanks to your medicine, my pains are gone."

If there is anything about your case about which you would like special advice, write freely to Mrs. Pinkham. No man will see your letter. She can surely help you, for no person in America has such a wide experience in treating female ills as she has had.
