

THE DOWNERS GROVE REPORTER.

SUBSCRIPTIONS... D. Q. GRAHAM, Associate Editor.

THURSDAY, AUGUST 8, 1901

It is reasonable to presume that before many seasons an electric railroad will connect Aurora and Chicago along the line of the Burlington. The new road through the northern part of the county is nearing completion.

The Springfield Journal, in an able editorial on "Civil Service Absurdities," remarks that "no private business enterprise could be conducted successfully under a system that made the employees independent of the approval of their employer, and it is equally impossible to secure the best results in a public office under such a plan."

A correspondent at Washington, writing to the Atlanta Constitution, says that ex-Senator Gorman and Senator Blackburn have concluded that there is little to be gained politically by attacking the administration's Philippine policy.

Proceedings of the board of supervisors of DuPage county at a special meeting held at the court house in Wheaton on Friday, the 5th day of July, A. D. 1901, pursuant to call of chair.

Communication of F. E. Scottford, game warden for this district, was read and on motion of Supervisor Hammerichmidt a bill of \$10 for services, investigating the case of the killing of numerous fish in the DuPage river in Lisle township, was allowed and county order ordered.

COLORADO. That is the title of a very beautiful seventy-two-page book published by the C., B. and Q. railroad. It is most entertaining and informative, besides being illustrated with exceptionally fine engravings.
