It is of an unusually large size and makes a very valuable addition to the pictures of the schools.

**HOMESEEKERS' EXCURSION.**

On Oct. 1 and 15 you can buy low rate round-trip tickets to Nebraska and many other parts of the western country as far as the pacific coast. Remember that while the light rainfall which prevailed during July in Nebraska and other of the older states, injured the corn crop this year, and 80 per cent of the acreage was planted in wheat, which made a big crop—for which the farmers are getting big money. Ask C. B. & Q. agent for particulars about tickets. Go and look for a new home in Nebraska, a prosperous country where a farm can be bought for one year's rent of an eastern farm.
