# OCTOBER DAYS

...AT THE...  
**PAN-AMERICAN**

**A**T Chicago October was the great month in point of attendance at the World's fair. There is every reason to believe the same result will come to the Pan-American Exposition at Buffalo, where October is always a month of delightful weather.

The Exposition in point of beauty and interest is at its climax, and the programme of special events is such as to attract and please. September started with great crowds, and only the tragedy in the Temple of Music, which stunned and shocked a world, halted an overwhelming success in that month.

Buffalo has demonstrated her ability to care for great crowds satisfactorily, not only in hauling them to the Exposition by street car and steam railway at a fare of but 5 cents from any part of the city, but to house and feed them at prices in the reach of all.

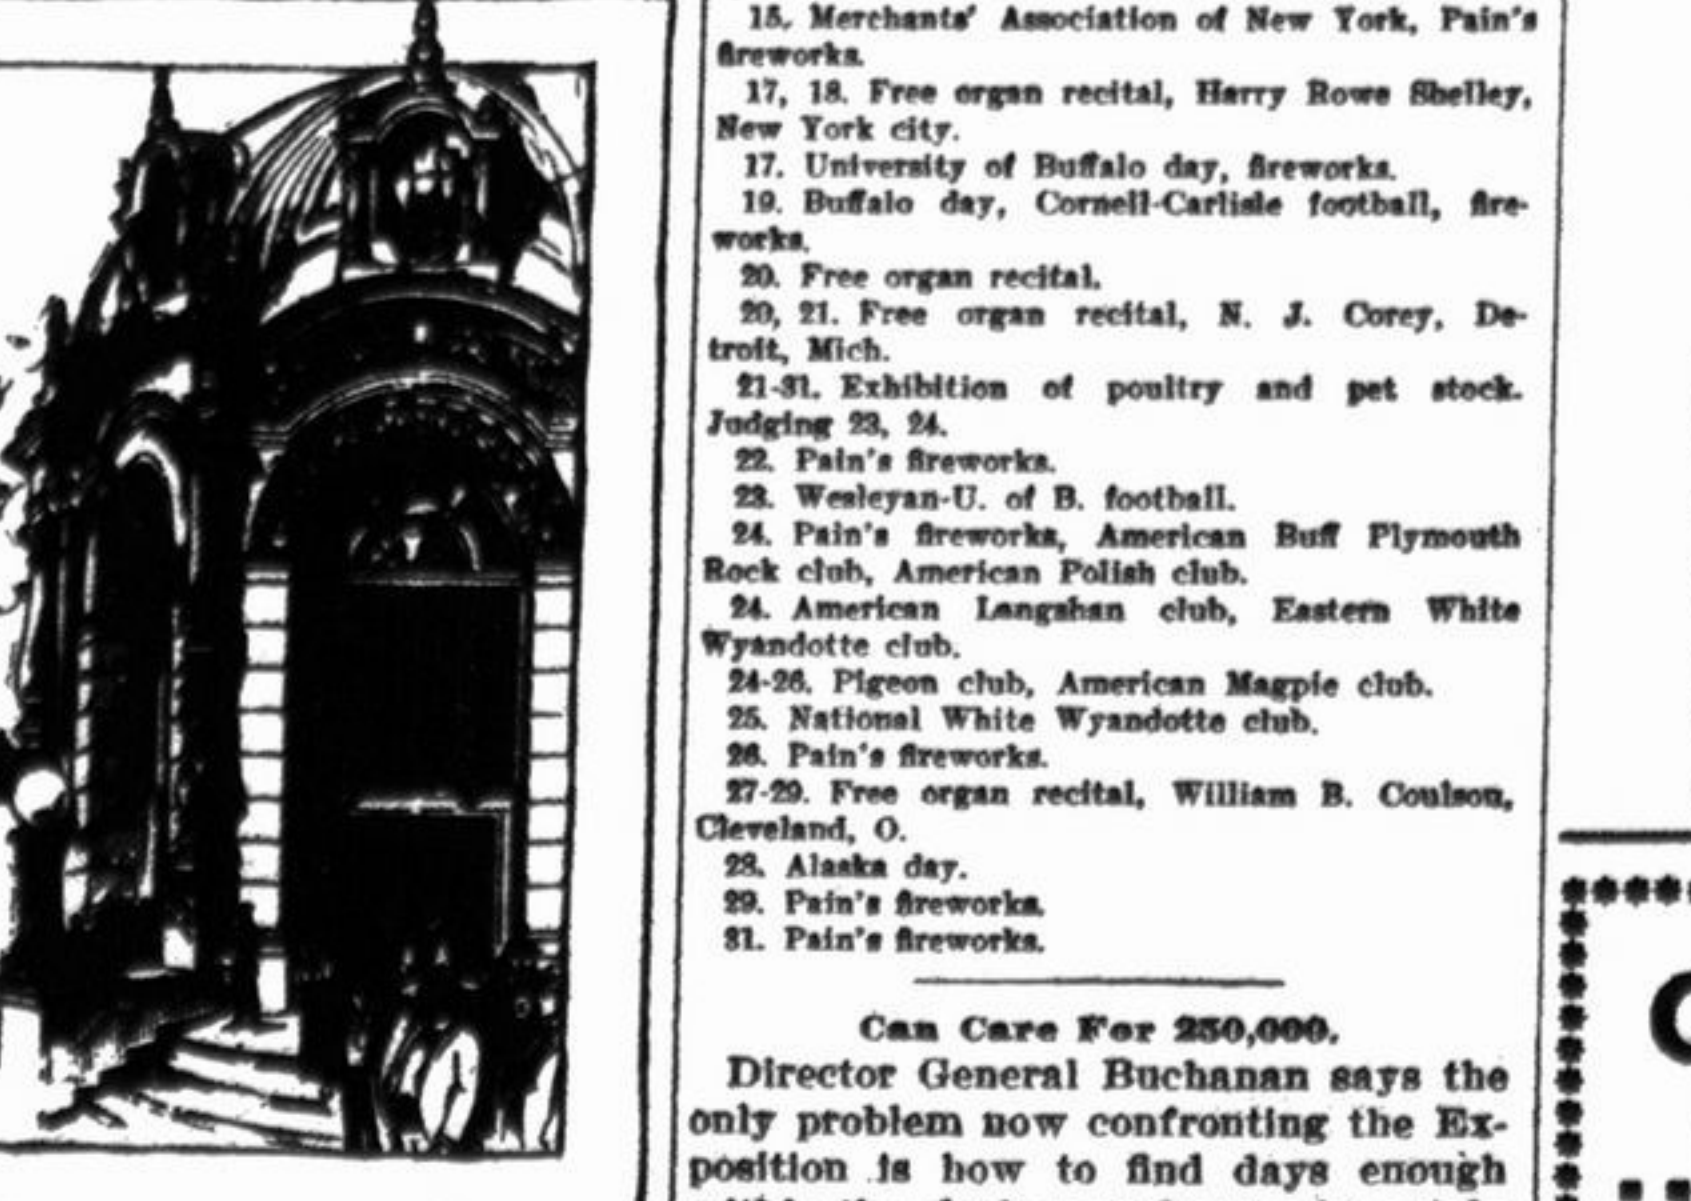

The Exposition itself, with its beautiful buildings, its coloring by day, its magic lighting at night, its walks and courts, its canals and lakes, its fountains and statuary, its exhibits and its amusements, has been a delight to the 5,000,000 visitors who have already been to the Pan-American.

The Exposition Company opened up the month of October, beginning Monday, Sept. 30, with a Carnival week of splendid events, including a baby coach parade, with 3,000 school children singing in the procession, a monster pageant with the floats used in the New Orleans Mardi Gras and allegorical parade and the feature of the beautiful floral parade at Saratoga.

These will take place on Thursday and Saturday, Oct. 3 and 5, but every day from Sept. 30 to Oct. 5 will be replete with interest. Special fireworks on the lake, with decorated and illuminated launches in a procession of fiery grandeur, will afford new and wonderful sensations to the visitors.

Thus October will be ushered in with a programme so arranged as to give the American public a delightful week. The life saving drill, daily, has become one of the great attractions of the Exposition. It tells the story of the work of the heroic men who guard the shores of ocean and great lakes, always on the alert to drag from death's brink the shipwrecked sailor or passenger.

With the magnificent exhibit of the United States Government and the South and Central American States' buildings every visitor can spend a day. No exposition has ever provided in so compact a space, with such beauty of architecture and with so

much care for the comfort of the visitor, so much. All exhibit buildings are free, including the Stadium, the great amphitheater, the art gallery, state buildings, and never was so much given for so little.

The gorgeous pyrotechnics—and no exposition has ever been so lavish in the display of fireworks—are free to all Exposition visitors. The programme provided by Pain in October includes the magnificent water carnival with gorgeous ballet, wonderful figures in liquid fire, and aerial bombs and rockets of startling beauty and mystifying construction.

To the millions interested in agriculture, stock and poultry rearing, the Pan-American Exposition especially appeals. The cattle show was a tremendous success and the sheep show,

beginning Sept. 23 and continuing to Oct. 25, has proved an attraction for those interested, from every section from Maine to California and Canada. Among the states represented are Michigan, Indiana, Wisconsin, New York, Pennsylvania, Illinois, Vermont, Ohio, New Jersey, Texas and Missouri. Of the total number of flocks on exhibition twenty-seven have been sent here from the Dominion of Canada, most of the exhibitors being located in the province of Ontario. The province of Quebec is also represented. During

the course of the sheep show there will be held in the New York State building a series of meetings of prominent North and South American sheep breeders.

The Buffalo Review of Sept. 24 said that "this ought to be a great time for the farmers to visit the Pan-American. Every farmer in New York State, not to mention those in other parts of the country, ought to see the attractions of the Rainbow City during the next three or four weeks."

"The cattle show last week was a big feature of the Exposition, and this week there is a great sheep show in progress. "The New York State farmers and the sheep raisers from other states will find it most interesting to compare the South American breeds with those of North America."

"It will surprise many to learn that the pavilions for animals at the Pan-American cover ten acres and are capable of housing 35,000 animals."

The programme for October so far as made up at this time is as follows:

Can Care For 250,000.  
Director General Buchanan says the only problem now confronting the Exposition is how to find days enough within the closing weeks to adequately take care of the many attractions and features now being planned. He predicts a great attendance during the month of October and one far in excess of the highest estimates that have been made by the most sanguine. In answer to the inquiry as to whether or not Buffalo could take care of the crowds, he said there was no difficulty whatever in this regard; that Buffalo could easily care for 250,000 strangers every day comfortably and at reasonable prices.

### SUMMER EXCURSION RATES.

Reduced round trip rates to Denver, Colorado Springs, Pueblo, Glenwood Springs, Salt Lake City and Ogden in June, July, August and September. Require at ticket office for particulars.

### COLORADO.

That is the title of a very beautiful seventy-two-page book published by the C., B. and Q. railroad. It is most entertaining and informative, besides being illustrated with exceptionally fine engravings. The rates to Colorado are so cheap this year that many will take their vacation there. They should ask the C., B. and Q. ticket agent for this book. Price, 6 cents.

### HOMESEEKERS' EXCURSION.

On Oct. 1 and 15 you can buy low rate round-trip tickets to Nebraska and many other parts of the western country as far as the Pacific coast. Remember that while the light rainfall which prevailed during July in Nebraska and other of the older states, injured the corn crop this year, and 50 per cent of the acreage was planted in wheat, which made a big crop—for which the farmers are getting big money. Ask C. B. & Q. agent for particulars about tickets. Go and look for a new home in Nebraska, a prosperous country where a farm can be bought for one year's rent of an eastern farm.
