Barnum's Monkeys

"All well-all happy-lot of fun". That is the regula report from the monkey cagof Barnum's Circus ever since the keepers began dosing the monkeys with Scott's Emul sion. Consumption was carrying off two thirds of them every year and the circus had to buy new ones.

One day a keeper accidentally broke a bottle of Scott's Emulsion near the monkey age and the monkeys eagerly apped it up from the floor. his suggested the idea that it ght do them good. Since on the monkeys have received gular doses and the keepers port very few deaths fron umption. Of course it's aper to buy Scott's Emul ch than new monkeys-an at suits the circus men.

Consumption in monkey 1 in man is the same discasyou have it or are threater. ed with its can you Itake the hint?
