The Atlanta Constitution says:  
"The Republican victory in Ohio has  
been followed by an orgy of bank  
looting and hold-ups. Is this another  
example of cause and effect? Possi-  
bly it is. The Democrats of Ohio are  
desperate, and there is no telling what  
disparate men may do."

The prospect that David B. Hill will  
become the leader of the New York  
Democracy, now that Richard Croker  
is out of his path, will be sad news  
for W. J. Bryan. There is no love  
lost between these two distinguished  
Democrats. Neither trusts the other,  
and the judgment of both at that point  
seems to be pretty good.

Certain Democratic politicians seem  
to think that because the president saw  
fit to administer a rebuke to General  
Miles for a breach of discipline that  
the incident furnishes sufficient mate-  
rial for a presidential boom for Miles  
and a victory for the Democratic  
party in 1904. What profound think-  
ers some of these Democratic politi-  
cians are!

The Ozark Union Banner gives a  
new designation to the governor's crit-  
icisms. It says: "Most of the adverse  
criticisms of his administration is trace-  
able to the disappointment in getting  
office or keeping friends in office.  
These are merely personal grievances  
and will make no impression outside  
of the small circle of the governor's  
disappointees." "Disappointees" is  
good!

Judge Donnelly, in a recent speech  
made at Aurora, said that there was  
one way by which the malign influ-  
ence of certain Chicago papers could  
be overcome. "It is this: For the  
country newspapers, the ones that get  
into the hearts of the people, the  
business man, the farmer, the  
householder, the paper you read by  
the roadside, to stamp a stamp as New  
York which have been printed  
in the metropolitan Chicago pa-  
pers. It may be said that this is  
not the country press is de-

### COLORADO.

That is the title of a very beautiful  
seventy-two-page book published by  
the C, B. and Q. railroad. It is most  
entertaining and informative, beside-  
being illustrated with exceptionally  
fine engravings. The rates to Colorad-  
o are so cheap this year that many will  
take their vacation there. They should  
ask the C, B. and Q. ticket agent for  
this book. Price, 6 cents.

## KICK A DOG

Kick a dog and he bites you  
He bites you and you kick him  
The more you kick the more  
he bites and the more he bites  
the more you kick. Each  
makes the other worse.

A thin body makes thin  
blood. Thin blood makes a  
thin body. Each makes the  
other worse. If there is going  
to be a change the help must  
come from outside.

Scott's Emulsion is the right  
help. It breaks up such a  
combination. First it sets the  
stomach right. Then it en-  
riches the blood. That  
strengthens the body and it  
begins to grow new flesh.

A strong body makes rich  
blood and rich blood makes a  
strong body. Each makes the  
other better. This is the way  
Scott's Emulsion puts the thin  
body on its feet. Now it can  
get along by itself. No need

of medicine.  
This picture repre-  
sents the Trade Mark of Scott's  
Emulsion and is on the  
wrapper of every bottle.
