THURSDAY, NOV. 13, 1902.

It must be evident to every thoughtful observer of political conditions that President Roosevelt is practically certain to be nominated and elected president in 1904. That is the marked and most conspicuous feature of the results of the recent elections. The main issue involved was the endorsement of the present republican administration and of its policies and metheds, and the result of the voting was such an emphatic endorsement as the republicans asked. The sole hope of the democratic managers was that the customary reaction against the party in power would be exhibited and that the returns would show gains that would have presage and make easier democratic success in the next presidential contest. But such gains were not visible in any section except in the city of Greater New York, and in the aggregate the results were favorable to the republican party to an unprecedented de-

CLEVER SWINDLER AT WORK

FARMERS ALONG RURAL MAIL ROUTES ARE VICTIMIZED-OLD RESIDENT DEAD.

Wheaten to Have Extension of Water Mains-First White Child Born in County Dead-Other County News From Exchanges.

The latest scheme for working the farmer along the rural mail delivery routes is novel. It was worked to a finish near Warrenville and Hinsdale. The sharper first drives along a portion of the route and takes the names from the mail boxes setting a dollar opposite their names and marking it paid. When he has a good showing on his list he starts into business by driving up to a farm house and after going through an acrobatic performance to show that he is deaf and dumb he presents a card with a nest scripture verse about helping the deaf and dumb unfortunates and then presents the list of names be has prepared showing what the neighbors have paid. In good faith the house wife digs up a dollar so as to be on equal footing with her neighbor and the schemer chuckles to himself loud and long when out of sight of the alms giver. Over in Downers Grove township it is thought the swindler gathered in a hundred dollars in a few days. One woman who only had 25 cents in the house was ashamed to give it because her neighbors had all given a dollar. Look out for this class of fellows and see whether you can perform a miracle by making the deaf and dumb speak, -Illinoian.

## Colds

"I had a terrible cold and could hardly breathe. I then tried Ayer's Cherry Pectoral and it gave me immediate relief." W. C. Layton, Sidell, Ill.

How will your cough be tonight? Worse, probably. For it's first a cold, then a cough, then bronchitis or pneumonia, and at last consumption. Coughs always tend downward. Stop this tendency by taking Ayer's Cherry Pectoral. 25c., 50c., \$1. Consult your doctor. If he says take it, then do as he says. If he tells you not to take it, then don't take it. He knows.

Acute colds often cause constipation, bilious attacks, indigestion. Ayer's Pills will give prompt relief. J. C. AYER CO., Lowell, Mass.

Scott's Emulsion is the modern method of feeding fat to he consumptive. Pork is too ough for sensitive stomachs. Scott's Emulsion is the most efined of fats, especially prepared for easy digestion.

Feeding him fat in this way, which is often the only Cook Stoves way, is half the battle, but Scott's Emulsion does more than that. There is something about the combination of cod liver oil and hypophosphites in Scott's Emulsion that puts new life into the weak parts and has a special action on the diseased lungs.
