The claim of E. B. Howe, superintendent, which has previously been paid upon the recommendations of the chairmen of the county farm committee, we have examined and found correct. The fees of the judges and clerks of election in the several election districts in the county, as per their bills, we recommend allowed and orders issued.

The committee appointed by the chair to draft resolutions on the death of the late John Christie presented the following, which on motion of Supervisor McClintock was unanimously adopted by a rising vote:

Whereas, God, in His infinite wisdom has seen fit to remove from our midst, John Christie, and

Whereas, during his entire lifetime, Mr. Christie was a resident of DuPage county and for many years supervisor of the town of Milton in said county and

Whereas, during all the time that Mr. Christie has served the town of Milton and DuPage county as supervisor, he has been a painstaking, careful, obliging and faithful public servant and has transacted all business connected with his office with skill and fidelity, therefore,

Be it resolved that in the death of John Christie the county of DuPage and town of Milton have lost a competent and faithful servant, a man who was always at his post of duty, ready and willing to serve and oblige at all times. He was a genial and faithful friend, an upright man and a true American citizen.

Be it further resolved that these resolutions be spread upon the records of this board and a copy of the same be sent to his family.

Moved by Supervisor Hammerschmidt that the salaries of Geo. W. Thoma, stenographer, and Lewis Ellsworth, clerk, be raised to \$75 per week. On call of roll all voted yes except Supervisor Blodgett. Supervisor Bender declining to vote. Motion carried. On motion board adjourned to call of chair.

H. P. Lawrence, Clerk.
