

PRESIDENT FULLER OF THE JEWELERS' ASSOCIATION

Threatened With Loss of Hearing, Smell and Sight From the Ravages of Catarrh.

Pe-ru-na Cured Him.

"I Feel Like a Young Man Again."

Mr. J. W. Fuller.

A GREAT many remedies to temporarily relieve catarrh have been devised from time to time, such as sprays, snuffs, creams and other local applications, but, as a rule, the medical profession has little or no enthusiasm in the treatment of catarrh.

"I was troubled with catarrh of the head for many years. It affected my sense of smell, hearing and sight. I spent lots of money with doctors and the use of local applications to relieve me but to no purpose, until my attention was called to the wonderful effects of Peruna."

POPE'S HEALTH CAUSES ALARM

Condition of Venerable Pontiff Does Not Allay Fear of Vatican Officials.

CARDINALS REMAIN IN ROME

Postponement of Their Departure for Distant Posts Gives Rise to Rumors That Delay is Result of Leo's Serious Illness.

Rome cablegram: There is growing alarm over the health of the pope. The condition of the pontiff, as shown on the day of his coronation, was not calculated to allay the fears of Vatican officials, and circumstances since then have tended to increase rather than decrease the general anxiety.

Statement is significant. In the Osservatore Romano, the Vatican organ, an official note appears stating that on the advice of his physician the pope has decided to take several days of absolute rest, and see no one. This statement is regarded as significant by the general public.

Dr. Lapponi and the vatican officials are doing everything in their power to create the impression that the pope's health is comparatively good. They make the following explanation of the note in the Osservatore Romano.

Yields to Physicians. The pope, they say, never succeeded in getting rid of the cold which caused a slight cough and hoarseness. Dr. Lapponi, on visiting his holiness, found that he was somewhat better, but frankly told him that he must either consent to cure his cold or he would run the risk of something serious.

The pontiff thereupon gave way and promised to suspend his audiences. To save annoyance, Dr. Lapponi advised the pope to publicly announce this determination through the Osservatore Romano.

All in all, the condition of the pope, taking into consideration his advanced age, is not without danger and is causing considerable anxiety.

TRICK CANDIES FOR "JOKERS"

Loaded Sweetmeats Bought by Male Fan-Lovers. "The trick cigar has its counterpart in confectionery," said a candy manufacturer the other day. "The callow youth who delights in giving explosive cigars to his men friends demands something similar for the candy-consuming sex, and we have to meet the demand."

"The possibilities of a cream chocolate or a piece of nougat are limited, but we have a few contrivances. We make of a very hard candy an imitation of a tooth with a gold crown, and hide it in a cream chocolate. You can imagine the rest—a party of women munching candy, one of them discovering something hard, and finding a gold-crowned tooth loose in her mouth!"

"Similarly we imitate a bone collar button in a hard white candy," continued the candy man, according to the New York Times, "hide a candy shoe-button in a piece of nougat, put a bit of cork in a caramel or all a candied cherry with red pepper. So long as the gaudy experts don't weed out these alleged jokers the candy man has to put up these trick candies for them."

He Went West and Prospered. Freedland, Kan., March 9th.—One of the most prosperous farmers in Harper County is Mr. N. H. Mead. Some thirty-four years ago he left his home near Clarence, N. Y., and came to Kansas. Here he has thrived splendidly, and last year harvested over one hundred and forty acres of wheat alone.

But everything has not gone well with Mr. Mead, for his health has not been good for the last few years. He has suffered a great deal with kidney and bladder trouble and could get nothing to stop it. Lately, however, he has improved a great deal, and he says that he has none of the old symptoms left and is feeling splendid again.

He used Dodd's Kidney Pills and this remedy seemed to work wonders in his case. He says himself: "Dodd's Kidney Pills have made me well. They are all right and a reliable remedy for kidney trouble. They helped me right from the start, giving me great relief, and finally cured me."

HOUSEWIVES HEADACHES

You don't know why you suffer from headache and you are apt to believe you have some dire female trouble, but its dollars to doughnuts that you are wrong. Women are prone to put off the duties of Nature to attend to the duties of the home and when they do get time to go, the feeling has passed.

Constipation results and then the awful racking headache. Take a spoonful of

Dr. Caldwell's Syrup Pepsin

every night before going to bed. Keep it up for a few weeks.

A. F. Klopf, of Troy, Ohio, miller at Harper's Distillery, writes under date of June 10, 1891: "My wife and self suffered off and on for three or four years with Constipation and Sick Headache, and we received almost instant relief by taking Dr. Caldwell's Syrup Pepsin. The use of several bottles restored our digestive organs to normal condition, and although we are free from any gastric trouble, we do not consider being without a bottle for a minute."

Miss Paine's Experience.

"I want to thank you for what you have done for me, and recommend Lydia E. Pinkham's Vegetable Compound to all girls whose work keeps them standing on their feet in the store. The doctor said I must stop work; he did not seem to realize that a girl cannot afford to stop working. My back ached, my appetite was poor, I could not sleep, and menstruation was scanty and very painful. One day when suffering I commenced to take Lydia E. Pinkham's Vegetable Compound, and found that it helped me. I continued its use, and soon found that my menstrual periods were free from pain and natural; everyone is surprised at the change in me, and I am well, and cannot be too grateful for what you have done for me."—Miss JANEY PAINE, 530 West 125th St., New York City.—\$2000 worth of original of above letter proving genuineness cannot be produced.
