THE FOUR-TRACK NEWS. When the different members of the ditor's family ask, "Why don't The Four-Track News come?" it is getting to be like Castoria, even "the children cry for it," and this tells the story. It is the most interesting publication that comes in our exchanges, and the reason is easily told: Mr. Geo. H. Daniels, the General Passenger Agent, who has charge of it, has the "Carnegie faculty" of getting good men around him, who know their business, and the result is that in everything the publication department of the New York Central distributes, it is "all

right."-Brooklyn (N. Y.) Journal. The subscription price of "The cour-Track News" is 50 cents per year. A sample copy will be sent free for 5 cents by Geo. H. Daniels, General Passenger Agent, New York Central & Hudson River Railroad, Grand Central Station, New York.

Mysterious Grave.

There is a mysterious coffin-shaped grave in the churchyard at Montgomery, Ala., on which the grass refuses to grow. According to the local legend, a young man of Montgomery was hanged for murdering his sweetheart. He asserted to the last that he was not guilty, and on the scaffold declared that no grass would row over his grave until his innoence was proved. The prophecy, it is alleged, has been fulfilled to the present day.

THINKS PENNELL THE MURDERER OF BURDICK

Mrs. Burdick and Mrs. Hull have made a startling change of front. From defending the memory of Arthur R. Pennell they have decided to join the opinion held by the officials and throw the blame of Millionaire Burdick's murder on Pennell.

Evidence in the divorce proceedings brought by Burdick before his death, which was laid before District Attorney Coatsworth, shows sufficient motive for half a dozen murders.

In the light of the latest developments the names of Mrs. Warren and Mrs. Seth T. Paine are being forgot-

"Speaking as Mr. Burdick's friend and counselor," said one of the dead man's friends, "I am satisfied that his

"It was only at the solicitation of his friends that Burdick finally consented to bring the action against his wife, even after all the evidence had been placed in his hands. He came into his lawyer's office shortly after Thanksgiving day and the final proofs were then placed in his hands. "He studied the papers for awhile,

and then, with a note of sadness in bis voice, said:

"I'm going to let this matter drop, boys. I can't stand it to think of my children, my three little girls, going through the world with the stigma of their mother's divorce hanging over them. I am getting along in years, and I can stand this disgrace the rest of my life, and I'll do it rather than have my children suffer.'

"It was several days before Mr. Burdick was persuaded to have the divorce action begun."

It is now practically admitted by the police and the officials of the district attorney's office that they believe Pennell was the assassin of

They still believe, however, that the assassin had an accomplice, that the accomplice was a woman, and that this woman was one who was

THE HAND OF FATE.

Blenkinsop's Limp Due to Steeping in Haunted Room.

"Yes," said Jones, "Blenkinsop does limp. It is because he would sleep in a haunted room about a year ago. All went well till about two o'clock in the morning, when he awoke with the knowledge that the flickering gas-jet was filling the room with weird shadows, and that a blast of cold air was sweeping through the room. It was uncanny; but there was worse to come. Glancing at the foot of the bed he saw the dim outline of a hand on the bed-rail.

"Even his iron courage failed Grasping a revolver he had provided in case of accidents, he pointed at the hand.

"'Whatever ghost you may be,' he quavered, 'take your hand from the bed-rail, or I fire!"

"There was no reply, and no movement of the hand. Only the wind howled in the trees outside. "Then bang!-bang!-went the

pistol. "And that, sir," finished Jones, "is why Blenkinsop limps. He shot off two of his own toes."

A Cure for Rheumatism. Alhambra, Ill., March 23d.-Physicians are much puzzled over the case of Mr. F. J. Oswald of this place. Mr. Oswald suffered much with Rheumatism and was treated by doctor after doctor with the result that he got no better whatever. Mr. Oswald began a treatment of this remedy, which very soon did for him what the doctors had failed to do and they cannot understand it.

This is the same remedy that cured Hon. Fred A. Busse, our State Treasurer, of a very severe case of Rheumatism some years ago and which has since had an unbroken record of success in curing all forms of Rheumatism and Kidney Trouble.

MRS. EVA BARTHO.

Stealthy, Insidious, Weakening Enemy to Women-Many Thousand Wome Needlessly From This Cause.

There are a multitude of women, especially housewives, and all other women obliged to be on their feet constantly, who are wretched beyond description, simply because their strength and vitality is sapped away by catarrhal discharges from the pelvic organs. These women get up in the morning tired, drag themselves through their daily duties tired, only to go to bed at night as tired as before.

Mrs. Eva Bartho, 133 East 13th Street N. Y. City, N. X., writen :- "I suffered for three years with what is generally known as leucorrhea, in connection with ulceration of the womb. The doctors advocated an operation which I dreaded very much, and strongly objected to go under it. Reading of the value of Peruna, I thought it best to give this well-known remedy a trial, so) bought three bottles of it at once. Now I am a changed woman. Peruna cured me; it took nine bottles, but I felt so much improved I kept taking it, as I dreaded an operation so much. I am to day in perfect health, and have not felt so well for fifteen years."-Mrs. Eva Bartho.

MISS LOUISE MARON.

Toronto, Ont., Can., Secretary of the King's Daughters and Secretary of Lady Maccabees writes :- "If all women knew of the benefits to be derived from taking Peruna we would have many happier and more healthful women. My health itas never been too robust, and I am easily fatisued and can not stand much. About a year ago I was so run down that I had to take to my bed, and became weaker and weaker. Afriend advised me to try Peruna, and I have great reason to be grateful, for in two weeks I was out of bed and in a month I was perfectly well, and I now find that my health is much more robust than formerly, so that I take Peruna once or twice a month and keep well "-Louise Mahon,

Peruna is such a perfect specific for each case that when patients have once used it they can never be induced to quit it until they are permanently cured. It begins to relieve the disagreeable symptoms at once. The backache ceases, the trembling knees are strengthened, the appetite restored, the digestion made perfect, the dull headache is stopped and the weakening drains are gradually cured. These results certainly follow a course of treatment with Peruna. Barbara Alberty, corner Seventh and Walnut streets, Appleton, Wis., writes as follows in regard to Peruna:

"For years I have suffered with backache and severe pains in the side. I doctored so much that I became discouraged. A school friend told me how very much Peruna had benefited her and I sent out for a bottle, which did more to relieve me than all the other medicine I have ever

taken. I used it faithfully for the and it completely cured me. I he had any pains since, anywhere. like a new woman. I am truly for what Peruna has done for bara Alberty.

Mrs. Kate Manu, 806 Bathurst | Toronto, Out., Oun., Vice President Ladice Aid Society, writes :- 'I am Ladies Aid Society, written i..." I are placed to give praise to Peruna for the blassed railed found through its use. I suffered for rooms with backache and dragging down pains and often had to go to bed and stay there when I was so that I could illy be spared. It was therefore a simple godsend to me when Peruna was broaded to my notice. Every drop seemed to give me not life, and every dose made me feel much botten and I promised myself that if I found that it cannot me I would advocate it so that other suffering women should know of it. I have been in period health for one year, I enjoy work and pleasure for cause in such fine health, and no trouble seems too heavy to bear when you are in good health. Peruna has simply been a household blessing, and I nesse will be without it again."—Mrs. Kate Mans.

MRS. KATE MANN.

Mrs. Anna Martin, 47 Hoyt St., Ber N. Y., writes :- "Peruna did so much for me that I feel it my duty to recommend it to others who may be similarly afflicted. About a year as my health was completely broken down, he backache, dirriness and irregularities, and has seemed dark indeed. We had used Peruna in our home as a tonic, and for colds and catarra, and I decided to try it for my trouble. In less than three months I became regular, my pains had entirely disappeared, and I am now perfectly well. "The Appa Martin.
