The amount of mail that is received by farmers who live on the rural free delivery routes has been more than doubled since the system was adopted. During the past year the system cost the government about \$24,000,000, and with this amount the postoffice department has been able to give excellent satisfaction There are still 700,000 square miles not covered by the rural delivery system. To accomplish this work it will require the appointment of 26,000 to 27,000 carriers in addition to those now employed, making the entire force when the extension is completed about 40,000. The department expects that this will be accomplished within the next three years.

Spring has come and it is the time for every householder to clean up his premises and thus contribute to the beauty and attractiveness of the village. All dirt debris and unsightly things should be removed from streets, alleys, yards and parkways so that the village may be sanitary and beautiful. If everyone will attend to his own premises the whole town will be clean and attractive.

A week from next Tuesday is village election and every voter should go to the polls and vote the straight ticket which was nominated at the regular caucus. The idea of "bolting" everything that does not turn out as some of us as individuals would have it is not commendable.

Paving Main street will prove one of the best investments ever made the village board. In securing the favorable action of property owners credit is due to the united action of the business men in keeping everlastingly at it until the work brought results.

Representative citizens named the regular caucus ticket for village officerin a fair caucus and now to ask the support of voters for a bolter of that ticket is spreading it on a trifle thick. The voters will naturally support the regular cancus in a pinch -Journal. ticket from top to hottom.

Burglars invaded several homes in the eastern part of Hinsdale Tuesday night and, though the booty secured was small, the fact that the crimes were evidently the work of some of the numerous tramps who have lately been annoying the Hinsdale housewife is a timely warning to resurrect the stone pile and rid the town o hobos. The homes of J. W. Shaw, W. J. Pollock and John Hall were entered. A Mr. Shaw's the thieves were content with the contents of the pantry and satisfied their appetites with pastry and other dainties. A couple of mufflers and some jewelry were secured at Mr. Pololck's, while at Mr. Hall's the burglars took hi little son Wesley's savings bank, containiug about \$10, and some small change. Before they could further continue their depredations Mr. Hall was awakened and trightened them away by firing his revol ver. At none of the places entered did thintruders venture upstairs.

Thomas B. Bryan and Miss Bryan of 200 citizens of that village gathered at the good-bye. Col Bryan, brother and sister, were deeply moved by the parting scene.

The detectives have exhausted practically every clew in the case of Charles G. Dennison of Hinstele, who disappeared from the Hotel Broezel in Buffalo some time ago. No results have come from the distribution of the thousands of circular giving Dennison's picture and description and offering a reward of \$500. Superintendent of Police Ball said that some o his best men had worked hard, but had learned practically nothing.

Nearly half a ton of dynamite was brought to the contractors on the electric road east of Wayne by a West Chicago drayman several weeks ago for use in blasting stumps and frozen ground on the right of way. The stuff was quietly stored in an old shed, and scores of people passing that way did not know of the dangerous compound until it was nearly all put to use, when one and all gave that region a wide berth.

Two circuit courts were in session last week, presided over by Judges Brown and Hilscher, and adjourned to April 13, when Judge Hilscher will return to dispose of cases still on the trial calendar. The ju ige told Raftree and Wright, whose case has been before him for several days, that they had better get together and settle, as the evidence showed bad blood between them.

"I suffered terribly for 12 years. The doctors said my blood was all turning to water. At last I tried Ayer's Sarsaparilla, and was soon feeling all right again."—Mrs. J. W. Fiala, Hadlyme, Ct.

No matter how long you have been ill, nor how poorly you may be today, Ayer's Sarsaparilla is the best medicine you can take for purifying and enriching the blood. Don't doubt it; put your whole trust in it. Ask your doctor what he thinks of this grand old family medicine. Follow his advice and we will be satisfied.
