To Die of Paralysis Like Father.  
Helpless Invalid For Three Years.

Dr. Miles' Restorative Made My Nerves Strong.

"For many years I suffered from terrible headaches and pains at the base of the brain, and finally got so bad that I was overcome with nervous prostration. I had frequent dizzy spells and was so weak and exhausted that I could take but little food. The best physicians told me I could not live; that I would die of paralysis, as my father and grandfather had. I remained a helpless invalid for three years, when I heard of Dr. Miles' Restorative Nerve and began using it. That winter I felt better than I had before in many years, and I have not been troubled with those dreadful headaches since I first used Dr. Miles' Restorative Nerve. My appetite is good and my nerves are strong."—Mrs. N. M. Bucknell, 2929 Oakland Ave., Minneapolis, Minn.

"For many years I suffered from nervous prostration, and could not direct my household affairs, nor have any cares. My stomach was very weak, headaches very severe, and I was so nervous that there was not a night in years that I slept over one hour at a time. We spent hundreds of dollars for doctors and medicine. I was taken to Chicago and treated by specialists, but received no benefit at all. Finally I heard of Dr. Miles' Restorative and began its use. I was surprised that it helped me so quickly, and great was my joy to find, after using seven bottles, that I had fully recovered my health."—Mrs. W. A. Thompson, Duluth, Minn.

### FIELD FOR ST. PATRICK.

Multitudes of Snakes Infest Northeastern Assiniboia.

A St. Patrick is required to drive out the snakes that infest northeastern Assiniboia, Canada, where the Swan river is joined by a little stream known as Snake creek. Millions of the reptiles find a home among the surrounding rocks and the river bottoms. On a warm day the snakes leave their hiding places and bask in the sun.

Although the district is uninhabited parties of travelers have come upon the scene when the ground is covered by this loathsome army. It is a curious sight to see the reptiles forming themselves into ball-shaped masses and proceed with a half-rolling, half-sliding motion. They are of the common garter variety and quite harmless. There is only one other quarter of the globe that rivals the district, and that is on the China sea, where the snakes are in such numbers as to form an almost solid mass when they take to the water.

His Humorous Explanation.

An amusing instance of a minister stumbling on a text of a humorous personal application is that related of a widower who had remarried within a year after his first wife's death. His friends and congregation thought him very expeditious and on the next Sunday, when his text was announced, they could scarcely control themselves. He rose in his place in the pulpit and said: "My beloved brethren, you will find my text in the seventeenth verse of the fourth chapter of Second Corinthians, "Our light affliction, which is for the moment."

Hard to Cure.

An inhabitant of Creglingen, in Wurttemberg, whose name is Fritz Kottman, claims to be the champion benedict of the world. He has been married no fewer than eleven times. His first three wives died young, the next two were drowned, one committed suicide, three died in succession, the tenth was gored to death by a bull, and he has just recently married the eleventh, who had a leg cut off by a railway train last year, so that the wedding had to be postponed till now.

### DIDN'T MIND BLACK FLIES.

But Brush Away That Durned Bee, Said the Guide.

A guide in the Maine woods was bragging the other day about his indifference to the attacks of the black flies, from which those in his party were suffering greatly. A \$10 bet was made that he couldn't let the flies settle for five minutes on his bare back.

The guide stripped, and the insects came in good numbers and began to bite. He did not wince. Then one of the party got behind him, took a burning glass out of his pocket, and the sun being out, focussed it on the guide's shoulder. The guide squirmed and wriggled. He stood it for some seconds, then he blurted out: "I can stand all the black flies in Maine, but brush away that durned bee!"

He won the bet.

Millionaires Pulled Up.

Several notable persons have fallen victims to the new ordinance at Washington forbidding automobiles speeding. Lieut Robert S. Clark of the Ninth infantry, the stepson of Bishop Potter, and the wealthiest man in the army, was the first punished. He paid the court \$10 for running his machine at a twenty-four-mile-an-hour gait. Frank Joy, a broker, was caught and fined \$10 and a millionaire from the West who appeared as John Smith in the police records paid \$5 for five minutes of joy at the rate of twenty miles an hour.

How It Really Happens.

"Johnny," cautiously inquired Mr. Sixweek of her little brother, when he called the other evening—"she" was putting the finishing touches to her toilet upstairs—"have you—er—does your—er—do you—er—ever hear your sister speak of me?" "You can't pump me," promptly replied Johnny. "I don't butt into my sister's business." Then Johnny picked a shiny stick out of the hall rack and went out. This is the way it happens in 999 cases out of 1,000, but the funnylists for the colored supplements could never be clubbed into believing it.—Exchange.
