Diseases Caused by Measles.

Dr. Miles' Restorative Tonic and

Nervine Cured After Thirty-one Years.

"I was a perfectly healthy young man up to February 1865. When my regiment was in Camp Randall I was taken sick with the measles and I did not enjoy good health up to the time I used Dr. Miles' Restorative Nervine and Tonic in 1866. Doctors have told me it came from inactivity of the liver. I cannot say how many physicians did treat me but have had all kinds. Dieting has never helped me. Biliousness, attacks of headache, rheumatism, nasal catarrh, hay fever, asthma, and chronic diarrhoea, have all taken their turn with me. Thanks to the Nervine and Tonic I am completely restored to health. I have also used Dr. Miles' Anti-Pain Pills with good results and I think that the Dr. Miles Remedies are perfect."—Rev. Hiram Beardsley, Sports, Wis.

"I want to say a few good words for Dr. Miles' Restorative Nervine. I have been troubled very much with insomnia since I made the change to the new paper and on account of this have tried various remedies without relief. I was finally induced by a scientific druggist, a personal friend of mine, to try Nervine. I can assure you it has done me a lot of good. I do not find it necessary to use it regularly now but occasionally when I find that I am excessively nervous and restless I again take it up as I always keep a supply on hand. It has never failed to give me the desired relief."—A. H. Hagen, Publisher "Daily Free-Press" Milwaukee, Wis.

All druggists sell and guarantee first bottles of Dr. Miles' Remedies. Send for free book on Nervine and Tonic. Address Dr. J. C. Miles, Elkhart, Ind.

HOW NOME WAS NAMED.
Insignificant Error Which Determined Its Appellation.
There is to be a considerable rush for Nome next month, if one may believe what one hears among mining men. There is no more sensationalism, but plenty of effort and intention. Men are going there who have thought over the situation very seriously since the wild craze of a few years ago, and they will go prepared for hardships and disappointment. How was Nome named? By a man on the Herald, one of the Franklin rescue ships. When the manuscript chart of the Cape Nome region was constructed attention was called to the fact that the cape had no name by the insertion of this—? name. The interrogation point was filled in by a draughtsman as a "C," and the "a" in "name" being indistinct he interpreted it as an "o"; hence "C Nome"—Cape Nome. This little romance occurred in 1853. What's in a name? Nome.—New York Press.

Doom of Buzzard.
The buzzards that have long infested Vera Cruz and served a useful purpose as winged scavengers are doomed. A London firm is putting in a modern sewer and water system. The birds have become so numerous that they are a pest. The protection of the municipality has been removed and when the new drainage system shall be completed the city will be rid of the pest, the numbers of which have already been reduced somewhat by catching the buzzards and placing them in wooden cages to be taken to the sea and drowned.

Opulence at the Capital.
Old-fashioned residents of Washington deplore the fact that social life there is taking on many of the objectionable features which characterize the "rude and rich" New York set. It is believed that some of this is due to the fact that the president hails from New York, the Roosevelts being allied with many families notable on Manhattan island. Opulence at the capital is making great display in equipages, luncheons, dinners, dances, etc., and its coming to be understood that nowadays money not only talks, it howls.

The Prodigy.
The infant prodigy had thrown herself on the floor and was vigorously biting holes in the matting, while her toes drummed a quick march of fierce anger and her shrieks rent the air. "What in the world!" exclaimed the prodigy's keeper, in alarm. "Here is a newspaper account of me which neglects to say that I am 'utterly unspoiled with all my popularity,'" wailed the prodigy as it continued to scream and kick.—Los Angeles Herald

Chance for Every Old Thing.
Wanted—Mr. Edgar Hogan wants a wife. He is not particular about what kind; most any old thing will do—an old maid or some brisk young miss. Any unmarried lady that wants to get a husband should write Mr. Hogan, or see him at his office or home. His postoffice is Bethany. His office is anywhere on the square at Bethany. His home is on Big Creek, five miles north of Bethany.—Bethany (Mo.) Owl.

The Development of Mexico.
Facts in regard to the commercial annexation of Mexico are given in the National Magazine. Twenty-eight millions of United States capital is now invested in that country, and forty Mexican investment companies in Chicago are sending in a million dollars a month. In the city of Monterey alone \$10,000,000 was recently invested in one plant. The Standard Oil company has invested \$18,000,000 in Mexican mines within two years, and will put in \$40,000,000 more.

Jim Dumps gazed out on sidewalks hot
And looked in vain for one cool spot;
And vowed he ne'er again would eat
A lunch of heat-producing meat.
Once more has "Force" restored his vim,
Although 'tis hot, he's "Sunny Jim."

"Force" is a blessing to hot humanity. I find since eating it—and I want it every morning—that I am able to go through a hot day with much more comfort than when I used to eat hearty meat breakfasts. It has taught me how to live.
