SEVEN YEAR STRICTLY CASH IN ADVANCE.

Entered at the P. O. at Downers Grove, Ill. as second class mail matter.

TELEPHONE DOWNERS GROVE 221.

THURSDAY, JUNE 4, 1903.

SHE DID NOT DRINK.

And Consequently Did Not Need First Floor Rooms.

American pushfulness is an unlimited quantity. The women are as irrepresentable in society as the men in commerce.

A NEW BOILED DINNER.

Little One's Astonishment Natural Under the Circumstances.

"I have a little niece," said the raconteur of the Sewing Circle, "who is never so happy as when she is allowed to visit the kitchen and watch the servants at work."

"Oh, mamma! What do you think? Mary's cooking the clothes for dinner!" - New York Times.

Cheerfulness Counts.

The Cosmopolitan says the longevity of the medical man is materially less than that of workers of other professions.

Bait!

A class in a Sunday school was listening to a lesson on patience. The topic had been carefully explained, and as an aid to understanding the teacher had given each pupil a card bearing the picture of a boy fishing.

Losses by Drought in Australia.

The wheat harvest of 1902 in New South Wales is only one-tenth of the harvest of 1901, and this represents a loss to the wheat growers of over \$2,000,000.

Had Him in Doubt.

"Is your wife a good manager?" "I really don't know." "Don't know!" "No. You see, I always thought I had pretty much my own way in everything, but the other day I got hold of an article on the diplomatic management of husbands, and since reading that I'm not at all sure that my wife hasn't been managing me right along."

A Mother to the Girl.

The woman who had lost her maid at the moment that she was expecting visitors went to the janitor in her distress, hoping that he might be able to find some one to help her out.

HONOR NORWAY'S GREAT MAN.

Soldiers Accord Popular Author a Magnificent Demonstration.

One day while in Norway an opportunity was given to an American traveler to see that the name of Bjornstjerne Bjornson means much to all Norwegians.

RELIEF FOR RUSSIAN WOMEN.

Newly Enacted Law a Blessing to Abused Peasant's Wives.

By a newly enacted Russian law a peasant's wife, on showing to the district judge d'instinction that she is habitually ill treated by her husband, or that he will not support her, and makes her the drudge for his own support, can demand a separate passport, with which she is at liberty to leave her oppressor and earn a living elsewhere.

Bird Vengeance.

A naturalist recently witnessed an encounter between a large swan and a little brown duck. The duck had apparently insulted the swan by trying to cross its path, for it was suddenly seized by the swan and held under the water until he was sure it would be drowned.

To Clean a Sewing Machine.

Place it near the fire to get warm, that the congealed oil about it may melt, and then oil it thoroughly with paraffin. Work it quickly for a few minutes, then wipe off all the paraffin and dirt and treat it to a little more clean paraffin.

Filmflamed Again?

Has the alert J. Pierpont Morgan been fooled again? In consequence of the announcement that he would place on exhibition a collection of carpets that formerly belonged to the royal house of Spain several Spanish newspapers have asked for an investigation, as before the reign of Alfonso XII, the royal collection was complete.

Queen Victoria's Love of Flowers.

Queen Victoria was a great flower lover from the days when a toddling child she made daisy chains on the lawns of Kensington palace, and perhaps wore them with more pride than she ever did her jewels.

A Lingual Phenomenon.

"An' you says, Brer Eph'm," said the convert, thoughtfully, "dat Ah kain't cuss nor sw'ar none after I've been baptize?" "De Bible says so, Brer Saul." "Nor say 'Good Lor,' nor one o' dem 'tings?" "Not unless you's in meetin', Brer Saul."

Feather Beds Coming Back.

The feather bed, after its banishment during about half a century, is being received back into favor in colder countries. Hygiene experts condemned it on account of its heating nature and the difficulty of thoroughly airing and purifying; nevertheless, it is actually being recommended during the winter for delicate, nervous, neurotic women, and particularly for elderly persons and those who are troubled with insomnia.

Gray Hair

"I have used Ayer's Hair Vigor for over thirty years. It has kept my scalp free from dandruff and has prevented my hair from turning gray." - Mrs. F. A. Soule, Billings, Mont.

There is this peculiar thing about Ayer's Hair Vigor - it is a hair food, not a dye. Your hair does not suddenly turn black, look dead and lifeless. But gradually the old color comes back, - all the rich, dark color it used to have. The hair stops falling, too.

If your druggist cannot supply you, send us one dollar and we will express you a bottle. Be sure and give the name of your nearest express office. Address, J. C. AYER CO., Lowell, Mass.

Those who are gaining flesh and strength by regular treatment with Scott's Emulsion should continue the treatment in hot weather; smaller dose and a little cool milk with it will do away with any objection which is attached to fatty products during the heated season.
