

Banking on Paint

The practical painter says, you can "bank" on Patton's Sun-Proof Paint because it saves the cost of at least one painting every five years. The painter "banks" on it because it gives him a reputation.

Patton's SUN-PROOF Paint

is made in exact proportions—of the most durable materials, perfectly mixed by improved machinery. It is the best spreading, longest wearing paint, and has the most brilliant and lasting colors. Guaranteed to wear for five years. Send for book of Paint Knowledge and Advice (free) to
