Sec. 8. This ordinance shall be in force from and after its passage, approval and publication in the manner as required by law.

Passed this 10th day of August, 1903. Approved this 10th day of August, 1903. Published this 3rd day of September, CHARLES MOCHEL, President. Attest: BERT C. WHITE, Village Clerk.

SIDEWALK ORDINANCE NO. 92.

lage of Downers Grove, DuPage county, and state of Illinois.

Be it ordained by the president and vided. board of trustees of the village of Downers Grove, Du Page county, Illinois:

Section 1. That a sidewalk be constructed in said village on the west side Foote street immediately in front of the following described lots or parcels of land: Lote 1 to 12 inclusive, block 15, Princes addition and that the whole cost thereof be paid by a special tax to be levied upon such lots or parcels of land, in proportion to their

made and provided. 8 inches wide and constructed of cement Said cement sidewalk shall be constructed of materials and in the manner bereinafter provided. Foundations of said cement sidewalk shall be prepared by bringing the space to be occupied by the sidewalk to a grade 12 inches below the established grade given herein. When necessary the sub-foundation must be consolidated by wetting and ramming to give the proper solidity. Soft and spongy ground or grass or vegetable matter or sed must be dug out and the place refilled with solid material. Upon the sub-grade, 12 inches below the established grade, shall be placed a foundation of cinders. Said foundation shall not be less than 7 inches thick and 4 feet 8 inches wide after being flooded and thoroughly rammed with tools made for that purpose. Upon said foundation of cinders, as aforesaid, the surface of which foundation of cinders shall be five inches below the finished grade or the grade herein stipulated, there shall be laid layer of cement concrete 4 inches thick and 4 feet 8 inches wide throughout the entire length of said sidewalk upon the lines as above specified. Said concrete shall be composed of one part Alpha Portland cement or other Portland cement equally as good, three parts of Torpedo gravel and five parts of broken limestone, by velume which shall be carefully measared; said material shall then be thoroughly mixed dry by being turned with shevels twice while in a dry state. After the addition of the necessary amount of water, which shall be sprayed upon said material, the mixture shall be again turned twice with shovels before being spread upon the foundation. After being spread it shall be rammed until free mortar ap

All of said sidewalk shall be laid in sections five feet wide each for the full width of the walk, each section to be entirely ra of lots or purcels separate from the adjoining sections, to

pears on the surface. On this concrete

before it shall have time to set, shall be

placed a wearing surface one inch thick,

fland aforesaid, are hereby required the whole depth of the concrete. The joints shall be smooth, straight and plumb throughout their depth and at right angles to the line of the walk.

CEMENT.-All cement shall be Alpha Portland cement, or other Portland cement equally as good, and shall be subject to the inspection and approval of the president and street and alley committee of the board of trustees.

SAND.—All sand and gravel used in the concrete and in the top surface of the walk shall be a clean Torpedo sand, free to the bill of the costs of such sidewalk from gray, foreign or earthy matter of any

STONE. -- All broken stone shall be of a from all particles of foreign material.

SIDE FILLING.—On each side of the the coment properly hardened, clean earth with the top thereof, extending two feet beyond its sides and sloping downward in the ratio of one-half horizontal to one vertical, until the natural surface of the ground is reached, this filling to be carefully smoothed off with rakes to a smooth surface. All surplus earth and material of any kind shall be removed entirely from all finished sidewalk spaces, or it shall be, if earth, evenly spread in such places, and in the manuer as may be directed by the president and street and alley committee of the board of trustees.

Said sidewalk shall be built under the supervision of the president and street and alley committee of the board of trustees and built in accordance with the grade fixed by the street commissioner.

Sec. 8. All owners of lots or parcels of land aforesaid, are hereby required to construct the sidewalk in front of their respective land aforesaid, within forty days after the publishing of this ordinance, in full accordance with the specifications aforesaid, and in default thereof said cement, sand and all other materials and labor shall be furnished and the said sidewalk constructed by said village.

Sec, 4. The street and alley committee of the board of trustees of said village of Downers Grove shall certify to the bill of the costs of such sidewalk, when constructed by said village, as aforesaid, showing in separate items the cost of grading, materials, construction and supervision and file it in the office of the village clerk of said village, together with a list of the lots or parcels of land touching upon the line of said sidewalk and the name of the owners thereof, and the frontage of their lots or parcels of land on said sidewalk so constructed.

Sec. 5. The village collector is hereby designated as the officer to collect the special tax herein provided for and to whom AN ORDINANCE for a sidewalk in the vil- the bills or warrants for the same shall be given for collection, in accordance with the statute in such case made and pro-

Sec. 6. The village clerk shall comply with the provisions of "An act to provide additional means for the construction of sidewalks in cities, towns or villages, approved April 15, 1875, and in force July 1, 1875," in accordance with which said statute this ordinance is passed; and if any land is delinquent after the return of the warrant of collection of said special tax by the said village collector to the said frontage upon such said sidewalk, in ac- clerk, then said clerk shall make report cordance with the statute in such case of all such special tax in writing to the county treasurer and ex-officio county coi-Sec. 2, Said sidewalk shall be 4 feet lector of DuPage county, state of Illinois prior to April 1, 1904, as required by said act; said county treasurer and ex-officio county collector shall then have full at thority to collect the same, as provided by

> Sec. 7. All ordinances or parts of ordinances in conflict with or contrary to any of the provisions of this ordinance are each and all of them hereby repealed. Sec. 8. This ordinance shall be in force and effect from and after its passage, approval and publication in the manner as

required by law. Passed this 10th day of August, 1903. Approved this 10th day of August, 1903. Published this 3d day ofSeptember, 1903, CHAS. MOCHEL.

President of the village of Downers Grove. Attest: BERT C. WHITE, Village Clerk,

HOW IS YOUR EYESIGHT?

The optical husiness heretofore conlucted by C. O. Durran, Master of Optics, will from now on be transacted at our store. Your eyes will be scientifieally and properly tested and fitted, C. O. Durran, M. O., will be retained at the head of the optical department. Henry J. Durran, Naperville, Ills. Successor to Collins & Durran.

"I first used Ayer's Sarsaparilla n the fall of 1848. Since then have taken it every spring as blood-purifying and nerve-strengthening medicine." - S. T. Jones, Wichita, Kans.

If you feel run down, are easily tired, if your nerves are weak and your blood is thin, then begin to take the good old standard family medicine-Ayer's Sarsaparilla. It's a nerve lifter, a blood builder. \$1.00 a bettle. All dragglets. Ask your doctor what he thinks of this grand old family medicine. Follow his advice and we will be satisfied.

To hasten recovery, keep the liver active and the bowels regular with Ayer's Pills. All vegetable. J. C. A YER CO., Lowell, Mass.

That Paint.

Paints i

The season of the year when you will be considering the improvement of your property by painting is at hand. As usual we are fully prepared to meet all demands in this line and direct attention to the following well known and desirable brands of paint and kalsomine

Rubber Paint

This paint is made of purest and most durable materials combined with a large proportion of India Rubber in such a manner as to form a smoothe, glossy, firm, durable, elastic, durable paint.

We guarantee that our Kalsomine will cover more surface and do a better job than any of the various socalled "Wall Finishes" on the market. All shades and white. Use it on your wall.

Senour's Floor Paint

Specially made for floors It will cement up the cracks and make a hard and serviceable covering. Makes a surface as hard as stone.

Rogers' Stainfloor Finish.

A combination transparent stain and finish for floors, tough and durable.
