

THE LAWS OF COURTESY.

How to Reach Offending Against Them is a Problem.

Courtesy forbids us to tell the exact truth; in fact, a judge gave as an official ruling recently the statement that the truth should not be spoken at all times, when he made it a crime to call a woman an old maid.

A Boy's Victory.

Crossroads, Tenn., Sept. 14th.—Orbra Young, the ten-year-old son of Lester Young of this place, is a bright boy, and one who is very well liked by all who know him.

For some years Orbra has suffered a great deal with a form of Kidney Trouble which was very annoying, and which made him miserable all the time.

His father heard of a remedy called Dodd's Kidney Pills, and bought some for the little fellow with the result that he is now completely cured of the old trouble. He says:

"Dodd's Kidney Pills soon gave me great relief, and now I can sleep all night without having to get up. We will always praise Dodd's Kidney Pills."

There are many children suffering from Kidney and Urinary troubles. These disorders should be promptly corrected. Dodd's Kidney Pills is a safe and sure remedy for all such derangements.

Master Orbra Young conquered his troubles and made a well boy of himself by using Dodd's Kidney Pills, and any one may do the same by the same means.

Parents should see to it that their children are given a fair chance in life, and there is nothing that can undermine the health of a growing child as much as Kidney and Urinary derangements.

Rescued by Means of Kite.

F. Devillo Sanders of Belmont, Allegheny county, climbed the steeple of the Episcopal church in Genesee, New York, to examine the damage done by lightning. When he was near the top of the steeple his rope caught so that he could not move up or down, and it was necessary to get another rope to him.

The nearest place to Sanlers that could be reached was sixty feet below where he was dangling.

Ezekiel Willis, a boy, got out his kite and flew it so that Sanders could grasp the string. Then pieces of cord gradually increasing size were attached to the kite string until Sanders got a rope and came down.

How Nice.

Gerald—You remember that you bet me a kiss on the election?

Geraldine—Yes, but I understand that an official count will be required to decide the result.

Gerald—Well, I'll pay the bet now and if it turns out later that I have won you can pay me back.—Brooklyn Life.

At present there are about seventy-five firms engaged in gem cutting in the United States, with not far from \$5,000,000 capital invested. There are probably about 700 skilled lapidaries at work, earning an average of \$1,000 apiece a year.

SOCIALISTS MAKE GREAT PROGRESS

Five Hundred Delegates Attend International Contest at Dresden.

NUMBER 3,000,000 IN GERMANY

Remarkable Growth in the European States is Set Forth in Speech Delivered by Herr Kaden—Vote Shows Steady Advance Each Year.

Dresden cablegram: Five hundred delegates representing Germany, England, France, Spain, Austria, Switzerland and Belgium attended the inaugural congress of social Democrats.

At the reception Herr Kaden delivered an address showing the marvelous strides of socialism in Europe and the United States.

At the first congress of the social Democrats, held in Dresden in 1873, only fifty-seven delegates were present.

At that time there were only 100,000 socialists in Germany and the party had only two members in the reichstag. Now there are 3,000,000 socialists in Germany and eighty-one members of the reichstag.

Socialists Lead in Germany.

The social Democrats of Germany to-day form the strongest political party in the empire. They control seventy-six newspapers, of which twenty-two are dailies. The growth of the party is steadily increasing, the gain since 1898 being especially notable. In that year the party polled 2,120,000 votes and elected fifty-six members of the reichstag.

In France the several groups of the socialist party polled more than 1,000,000 votes at the last election in 1901, and control 149 seats in the chamber of deputies. In 1898 the socialists elected only fifty-seven members of the French parliament.

Gaining in England.

Socialism in Great Britain is of recent growth. The social Democratic party has 150 branches and a membership of 9,000. Allied to it is the independent labor party, with 200 branches and 12,000 members. The socialists elected one member of the house of commons at the last election.

In Austria the socialists control 10,000 votes. In Belgium thirty-four socialists were elected to parliament at the last election. There are 10,000 socialists in Norway and Sweden.

In Spain the socialist vote has grown from 5,000 in 1891 to nearly 20,000 in 1903.

In the United States 2,065 socialist votes were cast in 1888. In 1898 the vote had reached 82,204.

Legislative Resolutions.

The present congress will be in session a week. Of the many resolutions to be discussed three are most important, as follows:

1. That the social democratic party shall take the initiative in the reichstag in introducing political and social measures of reform.

2. That the party shall frame its own bills instead of leaving this work of introducing new legislation to the government as heretofore, and

3. That an agitation committee be formed to instruct the public by speeches and writings.

Special police arrangements have been made, but up to the present they have not been obstructive. It is noticeable, however, that the sale of Vorwarts, the socialist organ, is not permitted at the railway stations here or in Berlin.
