Coughs

"My wife had a deep-seated cough for three years. I purchased two bottles of Ayer's Cherry Pectoral, large size, and it cured her completely."—J. H. Burge, Macon, Col.

Probably you know of cough medicines that relieve little coughs, all coughs, except deep ones!

The medicine that has cured the worst of deep coughs for 60 years is Ayer's Cherry Pectoral.

Consult your doctor. If he says take it, then do as he says. If he tells you not to take it, then don't take it. He knows.

An inactive liver prevents any cough medicine from doing its best work. Ayer's Pills are liver pills.
