W. E. HINSHAW IS RELEASED

Minister Is Paroled From the Northern Indiana State's Prison.

WAS SERVING A LIFE SENTENCE

Had Been Convicted of Slaying His Wife, Although He Claimed She Was the Victim of Men Who Had Invaded His Home.

Indianapolis, Ind., dispatch: Rev. William E. Hinshaw was released on parole Friday from the Northern prison, where he has been serving a life sentence for the murder of his wife.

In 1895 Hinshaw was the pastor of the Methodist church at Belleville, Hendricks county. He was a pulpit orator of much ability, and had many friends among the members of all denominations.

About 1 o'clock the next morning the people of Belleville were startled by a cry of murder, and when they reached the parsonage they found Hinshaw in the yard bleeding from a bullet wound in the side and a number of knife cuts.

The minister said he had been awakened by a pistol shot as Mrs. Hinshaw exclaimed, "Oh, Will, I'm shot!" He sprang from the bed and grappled with one of two men in the room, and Mrs. Hinshaw engaged in a struggle with the other one.

A diligent search for the murderer was made, and, though a light snow had fallen that night, no tracks could be found leading to the scene.

The grand jury subsequently took the matter up and Hinshaw was indicted. Protests from the church people followed, but the conviction of his guilt grew daily, and many of his best friends deserted him.

After sentence his friends began to work for his release. Governors Matthews and Mount were appealed to for a pardon, and both refused to grant it. Many still believe in Hinshaw's innocence.

FIRST KIDNEY PILL MADE. THE ORIGINAL DISCOVERY. THE ONLY GENUINE.

Wm. H. NEIGHBORS, the well-known jeweler of West Main Street, Wytheville, Va., says: "Some four years ago an attack of grip settled in my back, and I have suffered off and on ever since with a dull, heavy aching across the small of my back, always more severe in the morning.

I sat down for any length of time it was hard for me to arise. I took two boxes of Doan's Kidney Pills, and the dull, disagreeable aching left me."

I. B. MCCARVER of 201 Cherry Street, Portland, Oregon, inspector of freight cars for the Transcontinental Company, says: "I used Doan's Kidney Pills for backache and other symptoms of kidney trouble which had annoyed me for months. I think a cold was responsible for the whole trouble. It seemed to settle in my kidneys. Doan's Kidney Pills roused it out. It is several months since I used them, and up to date there has been no recurrence of the trouble."

Mrs. GEORGE WALKER, of Elmira, N. Y., wife of George Walker, broker at West Water Street, and living at 667 Baldwin Street, says: "In March, 1897, I was cured of kidney and bladder trouble by Doan's Kidney Pills. My physician said at that time that my life could be saved only by an operation. Night after night I had been kept awake for hours at a time with terrible pain in my back, and the secretions from the kidneys were in as bad a state as possible. I suffered with hemorrhages frequently, and was in a weak state. Your boxes of Doan's Kidney Pills cured me, and I now gladly recommend the remedy, because during the time which has since elapsed, nearly seven years, I have never had the slightest sign of a return of the trouble."
