Annual Election of Officers Oc curs in Local Organizations.

Fraternal and Benovelent Societies Strong I Downers Grove-Officers Who Will Govern Orders During the Coming Year.

The benevolent and fraternal socie ties in Downers Grove have practically all chosen officers for the coming year during the past week. The various lodges are all well represented in Downers Grove and have a combined appreximate membership of over \$1,000 This includes the benefit or insurance societies as well as the traternal organizations though nearly all of the latter orders have affiliated insurance features and the total amount of insurance carried aggregates over \$1,000,000. this amonut the Woodmen are the strongest and carries about \$300,000 in policies on the lives of its members

Naper Pest, Grand Army of the Re public, in the oldest organization is Downers Grove being chartered in 1883 Capt. T. S Rogers has been the com mander of the post since the time "when the mind of man runneth not to the contrary" and will probably con tinue to be so honored as long as he desires. He was re-elected at the last regular meeting Dec. 10th, when the following officers were chosen

WILL ESTABLISH TABARD INN LIBRARY. Branch of Popular Library to be Placed in Our Village Within Next Few Days.

Mr. S. H. Bell of the Booklever's H. brary was here last week to arrange for a local Tabard Inn exchange station. If the necessary membership is secured the station will be in operation in about ten days. Stations of the Tabard Inn Library have been established in Madison, Janesville, Beloit, Rockford, Eigin Aurora, Springfield, Joliet and many Furnished rooms for rent. Enquire other towns. In Chicago the Tabard Inn service has proved so popular that 40 sub stations were opened in different parts of the city, during the past three

Almost all readers are familiar with the world wide reputation of the Booklover's library. Founded in 1900 the book has been phenomenal. Exclusive by to the undertaker and several of its other library departments the and went home and fired the shot Booklover's is now delivering more than ten million books a year to the home of its patrons. It is not only the the alarm. Mr. Lewis was no largest corporate livrary in the world person but will be greatly missed in with a cash capital of over \$2,250,000, community. but as popular and educational factor in American life it is conceded to stand next in importance to the public.

The Tabard Inc library sent out by the Booklover's association, insures the quickest and most trustworthy libarary service in the world. Bookcases are placed in some public place, in towns covering the entire United States. This means a library with thousands of branches. These cases hold from 150 to 350 books each and every book boxed in an attracting case of black cloth, carrying a red band. The books are all new and inviting and it is a delight to handle books so inviting. From 200 to 300 books are kept in a town at a time and every two weeks 50 new books are received from Chicago, a like number being returned. A book may be carried epidemic of scarlet faver, which is anywhere and exchanged anywhere. The Tabbard Ion book is the only identification necessary. The books may be 20 families are afflicted. The d retained by the members as long as they desire one day or six months.
