Review of the Legislation Before Both Houses of Congress.

OUTLINE OF DAILY

Special Correspondents Tell of the Business Transacted by Senators and Representatives in Session at the Capital.

Tuesday, Jan. 19.

The senate required less than a minute to dispose of the motion to refer to the committee on postoffices the resolutions looking to an investigation of the postoffice department. The following bills were passed: Granting lands to the state of Minnesota for forestry purposes; affording relief to settlers on public lands in Oregon, which had been granted to the Northern Pacific Railroad company; granting land to the state of North Dakota to aid in the maintenance of a school of forestry; granting land in Missoula county, for observatory purposes to the university of that state. Senator Quay introduced a bill providing for the admission of Oklahoma and Indian Territory as one state. Senator Penrose introduced a bill to prohibit the use of the mails in the conduct of various chain coupon and chain investment schemes. Senator Dryden introduced amendments proposed by the postmaster general to bill to prohibit the use of the mails by companies transacting fraudulent insurance business. At 4:30 p. m. the senate went into executive session, and at 5 o'clock adjourned.

food bill, but did not complete it. A re- the House adjourned. cess was taken until 11:55 to-morrow. This course will retain the bill before the house without interruption. A request for an immediate appropriation to defray the expense of the diplomatic service of the United States in the republic of Panama was transmitted from the state de- I

cles of marme bollers. At 4:05 p. m. the sonate went into executive session and at 4:18 adjourned.

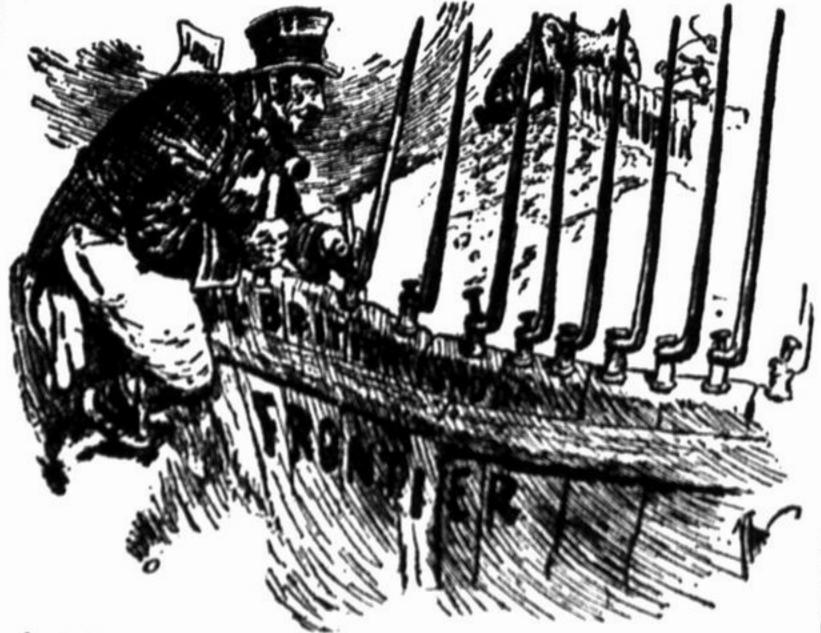

The army appropriation bill was under consideration in committee of the whole consideration in committee of the whole of the house for five hours, most of which time was devoted to a general discussion of the tariff. Mr. Williams made a general arraignment of Republican policies and declared the party had became one of negation. The only opposition to the army bill was by Mr. Baker (N. Y.). Mr. Spalding (N. D.) introduced bills appropriating \$100,000 each for monuments to William McKinley and Alexander Hamilton in the District of Columbia. Alexander Hamilton in the District of Columbia. Mr. Hitchcook (Neb.) introduced a resolution asking the war de-partment the amount and source of money expended in flying machine experiments. It was referred to the appropriations committee. Mr. Thayer (Mass.) introduced by request an amendment to the Constitution providing that the lands of the United States shall be so divided as to give each citizen eight acres in as nearly a square piece as possible. Mr. Palmer (Penn.) introduced a bill to define and punish bribery in elections and political conventions. At 5:12 p. m. the

Friday, Jan. 22. The Senate adopted the resolution of inquiry concerning affairs in Panama intreduced Jan, 5 by Mr. Gorman. Mr. Doiliver of Iowa made the principal speech. Mr. Tillman spoke on his resolution relating to Senate recesses. No action was taken. Senator Platt of New York reported favorably the bill giving employes of the government printing office who receive annual salaries annual leaves of thirty days each, exclusive of Sundays. Senator Fulton, from the committee on fisheries, reported favorably the bill making it a misdemeanor to export misbranded salmon or to ship them from one state to another. Senator Foraker presented the credentials of Senate-Hanna for six years, beginning March 4, 1905. The Senate at 4:30 went into executive session and at 4:39 p. m. adjourned until Monday.

The House passed 209 pension bills and also resolutions calling on the Secretary of War and the Attorney General for information as to the number of horses and carriages maintained at government expense for officers of these respective departments. A bill permitting the with-drawal duty free from the St. Louis ex-position of articles donated to religious. The house considered the Hepburn pure tutions also was passed. At 3:50 p. m.

Saturday, Jan. 23. There was no session of the senate, adjournment having been taken Friday until Monday.

The house devoted the entire day to partment. An urgent deficiency appro- bill in committee of the whole, Mr. Robconsideration of the army appropriation

priation of \$300,000 was requested of the ! house by Postmaster General Payne to enable the establishment of rural free delivery routes. Representative Brooks of Colorado introduced a bill appropriating \$250,000 to enable the secretary of agriculture to conduct experiments in the non-corn-growing states and territories in the fattening of cattle for market. Representative Smith of Iowa introduced bill for the construction by the lowa Central Railroad and Bridge company of a bridge across the Missouri river, near Council Bluffs, Iowa, Representative Bartholdt of Missouri introduced a joint resolution extending an official invitation on the part of congress to the inter-parliamentary union for the promotion of international arbitration to hold its annual conference in September in St. Louis. An appropriation of \$30,000 made to defray the expenses of the meeting. At 5:25 p, m, the house took a recess until 11:35 a, m, to-morrow.

Wednesday, Jan. 20. In the senate Mr. Patterson completed his speech on the Panama canal ques-He declared the president largely responsible for the revolt in Panama. and announced his decided preference for the Nicaraguan route. He was followed by Mr. Platt (Conn.), who took this pronouncement for Nicaragua as a text. saying it explained the mystery of the opposition of Democratic senators to the Panama treaty. A resolution for the addition of a clerk in the senate postoffice went over. Mr. Cullom presented a number of petitions for a service pension bill, saying he had received such petitions from almost every G. A. R. post in Illinots, Mr. Platt had not completed his speech on the Panama matter when the

senate adjourned at 4:85 p. m. The house passed the Hepburn pure food bill on a rising vote of 201 to 69. was amended to go into effect Feb. Mr. Hull (lowa), chairman of the committee on military affairs, reported the army appropriation bill. tute by Mr. Payne for the Hitchcock resolution calling on the secretary of the treasury to furnish the house information regarding the number of carriages furnished his department at government expense, was agreed to. The committee on merchant marine and fisheries reported in favor of the bill authorizing a commission to consider the question of ship subsidy. Representative McDermott of New Jersey introduced a bill providing that vessels entirely owned by citizens of the United States should be granted American registers, regardless of where they were constructed. Mr. Zenor (Ind.) was granted forty-five minutes for speech on good roads. At 5:30 p. m. the house adjourned.

Thursday, Jan. 21. Mr. Platt (Conn.) concluded his speech on Panama in the senate, defending the course of the administration. Mr. Morgan spoke in explanation of his bill for the annexation of Panama to the United States, basing his argument on the ground that the pending canal treaty practically contemplates that result. Mr the comment made on it by the Republican platform of 1856. Mr. Teller spoke against the treaty. Mr. Frye introduced a bill to increase the safety and efficiency of the mercantile marine by creating a commission to revise the laws relating to construction, installation and inspec- | tion.
