ROBBED THE GRAVE.

A startling incident is narrated by John Oliver of Philadelphia as follows: "I was in an awful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in back and sides, no appetite, growing weaker day by day. Three physicians had given me up. Then I was advised to use Electric Bitters: to my great joy the first bottle made a decided improvement. I continued their use for three weeks and am now a well man. I know they robbed the grave of another victim." No one should fail to try them. Only 50c, guaranteed, at all drug stores.
