THE CHICAGO DAILY NEWS

Regularly maintains its Special Correspondents in war or peace at

TOKYO, NAGASAKI, YOKOHAMA,
KOBE, PORT ARTHUR, PEKIN,
SHANGHAI AND HONGKONG.

As well as at the principal capitals of Europe.
Its normal service, therefore, for covering the

Russo-Japanese War

not only in the field of war but also in that of diplomacy, is more complete than that of any other Chicago newspaper. In addition it also has the service of The Associated Press with its great allied foreign news agencies. And the whole is now supplemented by its

OWN SPECIAL WAR CORRESPONDENTS IN THE FIELD.

No other paper in Chicago has so complete an equipment for printing the war news promptly and fully. That the people of Chicago and the Northwest appreciate the policy of The Daily News in printing all the news of all the world all the time is attested by the fact that its circulation exceeds

320,000 a Day.

The largest similarly attested daily newspaper circulation, morning or evening, in America.
