To Die of Paralysis Like Father.

Helpless Invalid For Three Years.

Dr. Miles' Nervine Made My Nerves Strong.

"For many years I suffered from terrible headaches and pains at the base of the brain, and finally got so bad that I was overcome with nervous prostration. I had frequent spells and was so weak and exhausted that I could take but little food. The best physicians told me I could not live; that I would die of paralysis, as my father and grandfather had. I remained a helpless invalid for three years, when I heard of Dr. Miles' Restorative Nervine and began using it. That winter I felt better than I had before in many years, and I have not been troubled with those dreadful headaches since I first used Dr. Miles' Restorative Nervine. My appetite is good and my nerves are strong."—Mrs. M. M. Beckwith, 2329 Oakland Ave., Minneapolis, Minn.

"For many years I suffered from nervous prostration, and could not direct my household affairs, nor have any care. My stomach was very weak, headaches very severe, and I was so nervous that there was a light in years that I slept over one hour at a time. We spent hundreds of dollars for doctors and medicine. I was taken to Chicago and treated by specialists, but received no benefit at all. Finally I heard of Dr. Miles' Nervine and began its use. I was relieved that it helped me so quickly, and was very glad to see it. After using several bottles, that I had fully recovered my health."—Mrs. W. A. Thompson, Duluth, Minn.

## WORLD'S FAIR HOTEL ACCOMMODATIONS.

St. Louis Hoteliers Prepared to Handle Vast Through—Prices Not to Be Increased—Hotel Inside of the Exposition Grounds With a Capacity For 6,000 Guests.

Ample hotel accommodations have been provided for the World's Fair visitors at St. Louis both within and outside of the Exposition grounds.

The Exposition management has organized a free information service. A pamphlet has been issued for gratuitous circulation explaining many of the conveniences that have been provided. A list of all the hotels, with rates, is contained in this pamphlet. The entire city has been canvassed, and many thousands of private house-

holders have arranged to receive visitors. These houses are in every section of the city, and the rates at which guests will be received is a matter of record on the books of the bureau.

The Inside Inn, a hotel on the Exposition grounds, has a capacity for 6,000 guests. The Exposition management has control of the rates, which have been fixed at from \$1.50 to \$3.50 per day, European plan, including admission to the grounds. On the American plan the rates range from \$3 to \$5 per day. The hotel is 400 by 800 feet and is three stories high.

There are more than 150 established hotels in St. Louis, and a signed agreement has been made between many of their managers with the Exposition officials that rates shall not be raised during the Exposition period. Many new hotels have been built on sites adjacent to the Exposition grounds, and the published fixed rates warrant the assertion that no one need pay exorbitant rates for accommodations either at hotels or private homes.

Among the new hotels may be mentioned the Hotel Napoleon Bonaparte, which stands at Clayton avenue and Skinker road, overlooking the Exposition grounds. This hotel will accommodate 5,000 persons. The rates, European plan, are from \$1 to \$3 per day. The Grand View hotel, south of the Exposition, on Oakland avenue, has a capacity for 5,000 guests, and the rates are \$1 to \$1.50 per day, European, and \$2 to \$2.50 per day on the American plan. The Kenilworth, on West Park boulevard and Billon avenue, has a capacity of 1,500 guests, with a rate of \$1.50 per day.

The above mentioned are a few of the new hotels that have been erected near the Exposition grounds for the accommodation of World's Fair visitors. All told there are about two score. All are within easy walking distance, and all are situated on high ground, with comprehensive views of the grounds. All of the structures are well built, and in some of them the most luxurious quarters are obtainable. The rates are established and will not be increased during the Exposition.

### NEW MUSIC FOR WORLD'S FAIR

Three Compositions by Famous People. Band Tournament.

Musical people and all who appreciate good music may thank the World's Fair for three notable compositions, written upon the invitation of the Exposition management. These are the "Hymn of the West," by the most distinguished living American poet, Edmund Clarence Stedman, the music for which was written by Professor John K. Paine, who is at the head of the music department of Harvard university; "Louisiana," a march by Frank Vanderstucken, leader of the Cincinnati Orchestra; a waltz, "Along the Plaza," by Henry K. Hadley of New York, who has won his laurels long before this as writer of operatic and other musical compositions. This music will be heard publicly for the first time upon the opening of the Exposition on Saturday, April 30, and frequently thereafter in the musical programmes of the greatest of world's fairs. These are the only official compositions.

Thirty thousand dollars will be given in prizes for the best bands at a tournament to be held during the Exposition. All through the World's Fair the musical feature will be prominent. The most famous bands of the world are under contract to participate during considerable periods. Among these are Le Garde Republicaine band of France, the Royal Grenadier band of England, the American National band, Sousa's band and others.

### WEDDING DISAPPOINT.

At one time during the life of the duke of Wellington it was currently rumored in London society that he was about to lead Miss Angela Burdett Courts to the altar. Some friend ventured to ask the famous soldier if this was indeed true, and received as answer, "I said she deserved to be a duchess; I did not say I would make her one." When the same friend repeated this to the young lady in question, the latter observed quietly, "I think he ought to have said 'could,'"

### DEAFNESS CURED

LOUISVILLE MAN ORIGINATES A SIMPLE LITTLE DEVICE THAT INSTANTLY RESTORES THE HEARING. Fits perfectly, comfortably, does not show.

190-Page Book Free Tells All About It.

Since the discovery of a Louisville man it is no longer necessary for any deaf person to carry a trumpet, a tube, or any such old-fashioned device, for it is now possible for any one to hear perfectly by a simple invention that fits in the ear and cannot be detected. The honor belongs to Geo. H. Wilson of Louisville, who was deaf himself and now hears as well as any one. He calls it Wilson's Common Sense ear drum, is built on the strictest scientific principles, containing no metal of any kind, and is entirely new in every respect. It is so small that no one can see it, but, nevertheless, it collects all sound waves and directs them against the drum head, causing you to hear perfectly. It will do this even when the natural ear drums are partially or entirely destroyed, perforated, scarred, relaxed or thickened. It fits any ear from childhood to old age, and aside from the fact that it does not show, it never causes the hearer irritation, and can be used with comfort day or night.

It will cure deafness in any person, no matter how acquired, whether from catarrh, scarlet fever, typhoid or brain fever, measles, whooping cough, gathering in the ear, shocks from artillery or through accidents. It not only cures but stays the progress of deafness and all roaring and buzzing noises. It does this in a simple, sure and scientific way. The effect is immediate.

Let every one who needs this at once send to the company for its 190-page book, which you can have free. It describes and illustrates Wilson's Common Sense ear drums and contains many bona fide letters from numerous users in the United States, Canada, Mexico, England, Scotland, Ireland, Wales, Australia, New Zealand, Tasmania, India. These letters are from people in every station of life—clergy, men, physicians, lawyers, merchants, society ladies, etc.—and tell the truth about the benefits to be derived from the use of this wonderful little device; you will find among them the names of people in your own town or state and you are at liberty to write to any of them who wish and secure their opinion as restoring the hearing to its normal condition.

Write today and it will not be long before you are again hearing. Address, for the free book and convincing evidence, Wilson Ear Drum Co., Todd building, Louisville, Ky., U. S. A.
