FOOD FOR BOYS AND GIRLS

The more natural diet is more palatable, invigorating and strengthening to body and mind—right to the contrary with unnatural, improperly prepared food, which stunts the growth, dwarfs the mind, causes a lack of will power and steadiness of nerve. No doubt that fifty per cent of the failures in life can be traced to improper diet when young.

THE "Sibree"

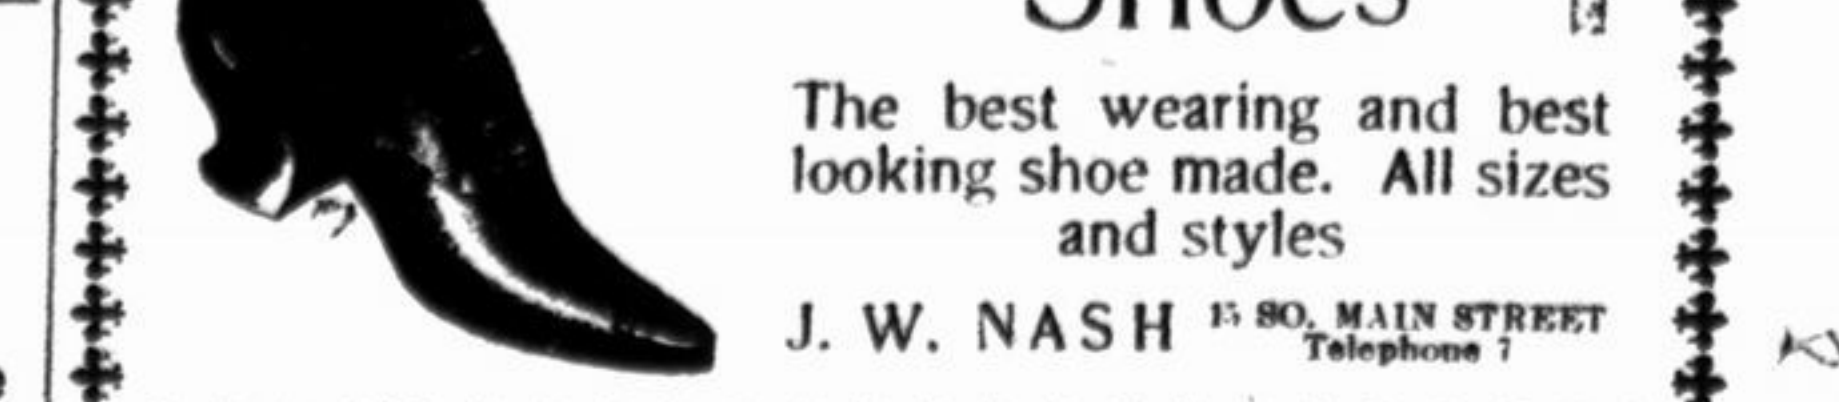

In speaking of another flying run over the Burlington into Chicago, the Burlington Hawkeye has the following to say: Train No. 8 arrived here last Sunday night 48 minutes late. Engineer Frank Bullard with fireman C. A. Fuller in the cab and conductor Frank Woods in charge of the train, made up some of the time between here and Galesburg. The eighty miles between Galesburg and Mendota was made in seventy-one minutes. This was surpassed in the run over the eighty three miles between Mendota and Chicago; for, including two stops, the run was made in seventy-six minutes, and by the time Bullard had brought engine No. 1500 into the Union depot at Chicago, all but three minutes of the forty-eight lost west of Burlington had been made up.

Hump Back

SCOTT'S EMULSION won't make a hump back straight, neither will it make chest big long, but it feeds soft bone and heals diseased bones and is among the few genuine means of recovery in rickets and bone consumption.

Dr. Miles' Heart Cure

Dr. Miles' Heart Cure Brought Good Health. I have every reason to recommend the Dr. Miles Remedies as the Heart Cure saved my life. I am a large man, considerably over six feet in height, weigh nearly three hundred pounds. Some years ago my heart was so seriously affected that I never expected to get well. Doctors pronounced my case incurable. I noticed your advertisement in some paper, and bought six bottles of the Heart Cure. I felt great relief and improved so I continued until I had taken twelve bottles. My trouble was organic and I never expected to be permanently cured, but thanks to Dr. Miles' Heart Cure, I have kept in good health and have been able to follow my profession continually since first taking the remedies eight years ago.
