Worthy of Preservation

What will be no doubt one of the brightest and most artistic souvenir productions of its kind for any of the towns and villages about Chicago is being gotten out by The Kelmscott Press. It is a brochure of some forty pages, and will contain beautiful photographs of the principle streets, buildings, and the many cozy nooks, etc., to be found in and about our pretty little village. Downers Grove is an ideal place for the photographer to enjoy himself to his heart's content; and the finest and best views obtainable will be reproduced in this little volume.

It will also contain business announcements of the leading business houses, and data of the town from its early inception.

Downers Grove is one of the landmarks of the early history of Illinois, and many of its former residents and their children have gone to all parts of the world, where they have before them new scenes and different conditions, but, no doubt, ever and anon, the mind in its reminiscent stage, turns to the former days in old Downers Grove. This little publication is just the thing to send to your friend at a distance. It will be printed on the finest of paper and enclosed in an illuminated cover, and will be sold at a price that will make it worthy of being always valued and kept.

FOOD FOR BOYS AND GIRLS

The more natural diet is more palatable, invigorating and strengthening to body and mind—right to the contrary with unnatural, improperly prepared food, which stunts the growth, dwarfs the mind, causes a lack of will power and steadiness of nerve. No doubt that fifty per cent of the failures in life can be traced to improper diet when young.

Head

Hurt So Badly Was Nearly Crazy. Had no Sleep—Could Hardly Lie Down.

Dr. Miles' Nervine Permanently Cured Me.

"A year ago I suffered from extreme nervous stomach trouble. I was afraid of everything, could not bear to hear singing or music and reading or hearing of a death nearly brought me on my own. I could not sleep or hardly lie down, the back of my head hurt me so badly I nearly went crazy. My shoulders hurt and the least thing I did would bring on an attack of extreme nervousness. There were times when I would have a lump in my throat and my mouth would be so dry I could hardly speak. I was in despair until I began to take Dr. Miles' Restorative Nervine. I have taken in all twelve bottles and consider myself permanently cured. My home doctor has since remarked on my healthy appearance and said he wished he could say his medicine helped me. He knows it was Dr. Miles' Nervine. We are never without the Anti-Pain Pills and consider your medicines household remedies. I cannot say enough for the Nervine, because in addition to my own case my daughter, who was out of school for a long time because of St. Vitus' dance, was completely cured by eight bottles. She is now feeling fine and going to school every day. We thank you for your kindness and will never stop singing the praises of Dr. Miles' Restorative Nervine."—Mrs. C. E. Ring, Lima, O.
