Fire at Henry Llayd's Fire broke out in the residence of Henry and Miss Lloyd, 155 Linscott avenue, on Saturday about eleventhirty p. m. The alarm was sent in and the fire boys and citizens responded readily, but owing to the long haul and the terrible condition of the streets the fire had gotten quite a start before the water got to it, but when it did the boys soon made quick headway and but it out. The roof was damaged as was the kitchen annex. Mr. Lloyd chains two thousand dollars' damages. Here was an insurance of fifteen hunired dollars in the Westchester of New lock on the building but none on the offered eleven hundred dollars in setdement, but Mr. Lloyd has refused the dred dollars.

Township Primary Election The township primary election assed off very quietly. The result was is follows in the contests here: Davis 315. Neidig, 54; Ruchty, 322; Mohr, 82. Hinsdale and Lace strongly supported Neldig and Mr. Davis was defeated by a majority of 165, Ruchty won over Mohr by a large majority. Neither of the defeated candidates have filed a petition, so the election that follows on April 2 will be one of those at which very few take an interest, there being only one ticket to rote for.

Off for Washington

The many friends of F. Marion Stanwill regret to learn that he has gone to N. Yakima, Washington, to engage in business. He is well known in this community, having spent his life here from boyhood. He is a young man most estimable character and has been a most efficient worker in the Baptist church, of which he is a member. All departments of work have felt his influence, and he has proved a strong, earnest helper, as assistant superintendent of the Sunday school and a member of the Baptist young people's union. As a clerk in the postoffice every one knows of the careful, ready service he gave to the public. Downers Grove can ill afford to lose him, but N. Yakima people are to be congratulated that he comes to work with the young men there. That abundant snerces may attend him is the sincere wish of all his friends.
