Space will be for sale to any and all candidates to tell to the voters what their platform is. As stated in another part of this paper we do not advocate for or against any man. We sell the publicity and the voters can do the rest.

Appomattox Day Memorial

Naper Post, G. A. R., will attend the service commemorating the forty-second anniversary of the surrender of General Lee at Appomattox, at the Baptist church next Sunday evening.

All comrades of any war are invited to join with them on this occasion. The public is most cordially invited to hear the story of this important event given by one who was there. Appropriate music will be a part of the service.

At the Baptist Church

Last Sunday morning service was devoted to the Easter thought. The pastor, Rev. H. L. Prescott, preached from the text, "Come in the Place Where the Lord Lay." The choir gave several inspiring selections. The church was fragrant with the roses, carnations and lilies with which it was beautifully decorated. It was an hour long to be remembered. At the Sunday school hour the scholars who had, by faithful attendance, become entitled to the gold and silver stars were presented by the superintendent, W. B. Towsey. Accompanied with a few well chosen words he pinned these emblems on their proud possessors. At the Baptist young people's union meeting the subject "Easter All the Year" was thoughtfully presented by the leader, Miss Irene Tiffany. At the evening service the pastor spoke from the topic "Some Prominent Friends of Jesus." Beautiful Easter music was a large part of the evening's worship. After the sermon the pastor baptized three candidates.

New York for Assessor

The men who do the assessing this year will have a big task to perform. For this year it will be necessary to make real estate assessments, as well as personal property. Two years ago assessments in the revenue law were changed and it will become operative this year.

Real estate assessors shall be appointed by the board of assessors. The assessors shall be appointed by the board of assessors. The assessors shall be appointed by the board of assessors.

this year, when it must be rigidly adhered to.

There are other features about the law also that will behoove the assessors to study, else they will be badly mixed before they have gone very far.

Already in some of the counties where the work of listing some of the property has been started, there is a mixup on account of the books not being of the proper make-up. Those assessors who get the books made up in the wrong form will find themselves doubly loaded with work.

Another provision of the new law relieves the county treasurer of a lot of work. It places in the hands of the board of review the authority to list the real estate and improvements thereon. This will be done by publication of values in a newspaper in the county. Formerly all this burden fell upon the county treasurer.

Want to Divide Township

Already there is being expressed a desire by some to divide Downers Grove township so that each will have a village in its domain. There is some poetry in the proposition. There is very little identity of interest between the two places. Hinsdale has some new citizens who have not lived there long and they want to show their civic interest by "sticking up" for the village to the detriment of the township at large. If we are to continue these quarrels better get a "divorce" at once. The law allows the division under certain conditions. What say you, Hinsdale?

Just note the matter of the publishing of township reports. It has been the custom to publish the road commissioner's report in this paper one year and the supervisors' in the Hinsdale paper. This was done last year. This year Hinsdale gets both and we are informed without solicitation. Is that fair?

Election to Be Held

April 13, township school trustee and high school proposition.

April 16, village election.

April 20, public school directors.

WHAT THE KIDNEYS DO

Their Increasing Work Keeps Us Strong and Healthy

All the blood in the body passes through the kidneys once every three minutes. The kidneys filter the blood. They work night and day. When healthy they remove about 500 grains of impure matter daily, when unhealthy some part of this impure matter is left in the blood. This brings on many diseases and symptoms—pain in the back, headache, nervousness, hot, dry skin, rheumatism, gout, gravel, disorders of the eyesight and hearing, dizziness, irregular heart, debility, dropsies, dropsy, deposits in the urine, etc. But if you keep the filters right you will have no trouble with your kidneys.

Charles G. Reese, 36 South Foot street, Downers Grove, Ill., says: "I am pleased to recommend Doan's Kidney Pills. I suffered a great deal of pain in my back and a burning sensation in passing the kidney secretions, which was caused by kidney trouble. A few months ago I procured Doan's Kidney Pills at Bush & Simonson's drug store and after taking the contents of one box I noticed great relief and to-day can say that I am as well as ever. I shall always keep a box of Doan's Kidney Pills on hand and recommend them to all kidney sufferers."

For sale by all dealers. Price, 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

House-cleaning time is coming. Make your wall paper look like new by using electric wall paper cleaner. Use a can at Modaff's pharmacy.

Home-Made Catarrh Cure

Any one can mix right at home the best remedy of its kind known. The name "Cyclone" is given to the following prescription, it is supposed, because of its promptness in driving from the blood and system every vestige of catarrhal poison, relieving this foul and dread disease, no matter where located. To prepare the mixture: Get from any good pharmacy one-half ounce fluid extract dandelion, one ounce compound karyon and three ounces compound sargaparilla. Shake well and use in teaspoonful doses after each meal and at bedtime.

This is a harmless, inexpensive mixture, which has a peculiar action upon the eliminative tissues of the kidneys, assisting them to filter and strain from the blood and system all catarrhal poisons which, if not eradicated, are absorbed by the mucous membrane, and an open sore or catarrh is the result.

Prepare some and try it, as it is the prescription of an eminent catarrh specialist of national reputation.

This is, of course, the day of the young man, but, judging from the way railroad wrecks are charged against the mistakes of youthful telegraphers, it would seem possible that enterprising and economical captains of industry may be catching them too young.

Diamonds Discovered in Wisconsin.

Many of our readers will, no doubt, be surprised to learn that genuine diamonds have been found in the United States. A party of Minneapolis business men have organized a company to develop Plum Creek Valley, Pierce County, Wisconsin, where some twenty (20) diamonds, of the first water, have been found.

Prof. Kurtz, gem expert of Tiffany & Co., has pronounced these gems diamonds of the first water. A report has been made by Prof. C. W. Hall, professor of mineralogy and geology of the Minnesota State University, who recommends a thorough development of that region. These reports will be sent prospective investors upon request. The American Diamond Mining Co. controls ten miles, comprising nearly 2,500 acres in Plum Creek Valley, 10 miles in South Africa a few years ago in to-day worth \$9,000. South African Diamond fields were as much of an unknown proposition twenty-five years ago as ours is to-day. What has been done there can be done here. Don't be skeptical, but investigate this proposition at once. Write for full particulars to-day. AMERICAN DIAMOND MINING CO., Lumber Exchange, Minneapolis, Minn.

GUARANTEED REMEDY FOR INDIGESTION.

Interesting Statement by Bush & Simonson.

When a man comes into this store and calls for any particular indigestion remedy, we always give him what he asks for, but in case he leaves it to us we usually recommend Pepsikola tablets.

Here is a preparation we have been selling right over the counter for years, and from actual observation we know it must do good, and really does relieve and cure indigestion and dyspepsia or there would be a steady stream of people coming back for their money, as every 25 cent box is sold with the understanding that you must be decidedly benefited or there is nothing to pay.

You simply try Pepsikola tablets with the understanding that they will steady your nerves, improve your appetite, relieve wind belching, coated tongue, sour stomach, fullness after eating, weakened energy, and other symptoms of indigestion or Bush & Simonson are ready at any time to pay back your money without the least argument.
