"I've gotter stay right on this block. 15.50 said the little boy with the scarlet tocking cap, firmly.

"Why y' gotter?" asked the boy with the skates daugling from his shoulder "My mother said I gotter."

"Aw! She won't care. Come on "I ainter goin' to."

"She won't know whether you're on the block or not."

"That makes no difference," said the little boy with the scarlet stocking cap. "You're 'fraid to."

"I ain't either." "You are, too."

"I ain't either; but I ain't a-goin'." " 'Fraid you'd get a lickin'," tauntee the tempter with the skates.

"Ain't either. My mother don't never whip me. But fellers 'at don't mind what their mothers say have bad luck." "Aw: She's jest tellin' you that." "Well, it's so, too,"

"I don't mind what my mother so, an' I don't have no bad luck." "You will, though. You see,

Uncle Jimmy had bad luck once when he was a kid. He told me about it. "They're allus tellin' them furry tales," said the boy with the skates, deristvely.

"This ain't a fairy tale," said the I't il'd) the boy with the scarlet stocking cap "It's so. He went one time with a fel 3.20 her that his mother told him he wasn't to go with. He was always askin' if 7.40 be couldn't go with him an' his mother said up, he wasn't to. An' one evenin 3.50 the feller come along an' whistled for him an' he snook out the back way an' went with him."

"Was they gotn' on the Ice?" asked the box with the skates.

"My Uncle Jimmy says they was goth to a branch meetin'," explained little boy with the stocking emp. says they was investigatin' the higher branches with a view to chol'rer nust

"Rata!" commented the boy with the skates. "What's that?"

"I d'know." "He's lest stringin' you."

"I bet be wasn't." "I bet he was, What'll you bet?"

"How you goin' to prove it? Any way, they went out an' stayed out tiit was late an' when he got back horehe found they'd been a fire an' the parn had burned down. There twelve tons of hay in the harn ar just made the dandlest blaze an' then was a mule burned up in it, too, an the hired man burned off his whiskers try in' to get the mule out au' they thought incle Jimmy had been burned up in it If he'd stayed at home, like

have been home right then." The how with the skates looked in 16.70 pressed. Presently he asked, "Did they grow on again?" "I'ncle Jimmy didn't sny," replied to

little boy with the stocking cap.

"It'd they give him a lickin'?" "No, but he missed all the fun,"

"You ain't got no barn, anyway," said min the box with the skates.

"I know," said the little boy with the stocking cap, "but there might be suth-207.92 in else.

"An' if you was around when the house ketched fire they might think you'd done it an' give you a lickin' for it," urged the boy with the skates,

"I sin't goin' skatin', anyway," said the little boy with the stocking cap "The ice is too thin."-Chicago Dai'y

#### HUNTING BEARS IN ALASKA. Some of the Biggest of Brnin Fam-

Hy Found in Far North. "There is good bear hunting on the Alaskan peninsula. I got seven grizzlies one afternoon, all of them within a quarter of a mile and not over half an hour's time. The smallest of them was a 3-year-old, and I should say they averaged 2,000 pounds. It took thirteen cartridges to bring the seven

Grant G. Chase, hunter and prespector, who for eleven years has spent most of his time in the Alaskan wilds. crossed his knees in reminiscent fash-"How could it stand if it didn't have a lon at the Sherman House and told a few bear stories on the eve of returning to his favorite haunts.

Then for corroboration there is the My parents picked me out and yours in is faithfully recorded the number of Nevill." bear, caribon, sea ofter and other furbearers brought down daily, and careful measurement of the biggest skins.

bears altogether," continued Mr. Chase. parting shot, said : am interested in or the number might | East." have been much larger. At one time

much all through the Rockies, but there isn't another place to equal the Alaskan peninsula.

Big? Well, 171 tell you. Those bears up there are the largest in the world. A full grown male weighs from 2,000 to 2,500 pounds. The skin of the largest fellow I ever killed measured 13 feet 4 inches long and 13 feet 3 inches spread from toenail to toenail. I can lift as much as the average man, but I'm telling it straight when I say that with Mrs. Chase to help me I couldn't turn that fellow over on his

back to skin him. "Twenty feet is the nearest a bear beut on mischief ever got to me. An old female whose cub I had brought down, came for me one day and she was mad. She was sixty or seventy yards distant and in a bunch of alder when I took my first shot at her. She got up and came out in the clearing. and then she saw me and came for me in cornest. I worked my gun pretty rapidly and the shots took effect. She was about six paces away when she

"Mrs. Chase and I got a scare once, though, in rather a ludicrous way. I had three camps in a lonely region, where for three yours Mrs. Chase never saw a white woman. I had to put up-'bavarnias,' or houses of drift wood, the only kind available. We were going from one camp to another when I brought down a bear.

"We were in no burry, so we stopped, built a fire and had some lunch. After lunch-about an hour after the shooting-we went down into a guich where the bear was lying. Mrs. Chase was carrying an aluminum tenpot. I got her to belo me turn the bear over, and I was about to remove his hide when the big fellow anddenly came to life.

"You should have seen Mrs. Chase go up that hillside. The best of it was, in spite of her haste, she trok time to resone her teapot. I believe I jumped about twenty feet myself. If that bear had been in shape to do damage there might have been some trouble-As a general thing but be wasn't. there isn't much adventure-it's too easy,"- Chicago Post.

#### THE HEALTHY NATIVE.

"That the world is not so big, after bered among the commonplaces. Nevortholoss, condemned as it thus is for tack of originality or brilliancy, it is a reflection which is constantly impressed upon the tourist. The Washington Star tells a story illustrative of this fact.

The traveler from Washington was sitting on the upper deck of a Rhine steamer. As the little paddle wheel floated near the city of Cologne he gazed at the vine-clad hills with a rapt

"Think of It." he musted. "What a for it must be to have this splendor at one's very elbow. Living in 16th street may be invurious in its way, but I tell con there is an air of peace about this place that we haven't got.

His gaze was fastened upon a tail man in a plaid ulster who was sitting near by. Remarking upon his appear ance, he said

"One thing the men know over here, they know how to live. Look at that middle-aged fellow. The very picture of rugged health! No pale-faced nerronsness about him. His every line betokens a tranquillity of life that is way beyond riches. Take me, for instance; a nervous wreck at 45. This is my first racation in eighteen years. Dare say he takes one three times a year. Catch one of my fellow citizens doing that! Find me an American of his age look-

ing like that!" At that moment the stranger turned and nodded pleasantly. The tourist returned the salutation and opened coa-

"Das let sehr-" he began, in his word-book dialect.

"Why not speak English?" asked the other, with a smile,

"You speak It?" "Why shouldn't I?" With that ne brought forth his card case and presented his card, and when the two compared notes they found they had both
