Walts In Not Modern. Many people labor under the impres-

land until the early part of the nine- to be interrupted by the necessity of originally from Provence to the court slices of bread with ham between of Henry II. of France, at Montaine- brought to him at the gaming table, bleau, by the Comte de Saulte. Mary, to enable him to go on playing withqueen of Scots, imported it into Scot. out intermission. land, for history records her as having incurred the bitter wrath and flerce denunciation of John Knox and of other divines of the "land of cakes" for dancing it on one memorable occasion at the palace of Holyrood. Toward the end of the seventeenth century it was danced throughout southern Germany and Austria, the celebrated waitz tune and popular song, "O, Du Lieber Augustin," dating from 1670. But, as already stated, it was not until the first two decades of the nineteenth century that it made its first appear-

lauded by the poets of the epoch. The Duty of Right Living.

ance in England and the United States.

when it was alternately denounced and

To live right is a duty we owe first to God, and then to self, and it is also a solemn duty which we owe to those whom we profess to love, that we may make it as easy as possible for them to do right and as hard as possible for them to do wrong.

We are to be lights in the world to show forth the Christ-life. Our business is not so much to make profes sions of religion or display good works, in themselves, as to shine, to give out an influence that will brighten those lives around us, and like the brightness of the sun, bring forth the fruits of love, joy, peace, long-suffer-Subscribed and sworn to before me this ing, gentleness, goodness, meekness, and faith.

must tax the ingenuity of weavers and dyers, yet the demand for novelties never falls to be met. This year blue will be known as "hydrangea," "bluet," or twelve other things, and there are fourteen names for mauve nipe for plak, four for deep red and scarlet, and sixteen for green. Facing such an array, a merchant, being only a man, may sometimes become bewildered; but probably no experienced "shopper" will ever entertain a doubt Meets second and fourth Tuesday of each as to whether her new gown should be colored rose of the Alps, mirage, amethyst, minuet, Bengali, or Niger.

It is a common belief among sailors that a ship which has been sunk and raised again is haunted by the ghosts of those who were drowned in her VICTORY COUNCIL, NO. 110, ROYAL Some years ago a large emigrant steamer was sunk in the Mediterra nean, and over 500 lives were lost Thousands were spent in raising the vessel. She was brought home and refitted, but has never since been used. It is impossible to keep a crew. The men declare that every night the great bull rings with the screams and grouns of the multitude who sank, like rate in a trap, to the bottom of sixty feet Meets the second Thursday of each month of stormy sen. -Strand Magazine.
