No other remedy can be compared with Rexall Orderlies for the easy pleasant and successful treatment of constipution. The active medicinal ingredient of this remedy which is odorless, tasteless and colorless, is an entirely new discovery. Combined with other extremely valuable ingredients, it forms a preparation which is incomparable as a perfect bowel regulator. intestinal invigorator and strengthener Rexall Orderlies are notable for their agreeableness to the palate and gentleness of action. They do not cause griping or any disagreeable effect or inconvenience, and may be taken at any time, day or night.

We particularly recommend Rexall Orderlies for children, delicate or aged persons because they do not contain anything that could possibly injure the most delicate organism. They are just as easy to take as candy, and unlike other preparations for a like purpose they do not create a habit, but instead they overcome the cause of habits acquired through the use of ordinary laxatives, catharties and harsh physic. and permanently remove the cause of constinution or irregular bowel action.

We want you to try Rexall Orderlies at our risk. We know that there is nothing that will do you so much good. and we will refund your money with out argument if they do not do as we say they will.
