COMING, LINCOLN **TEMPERANGE** CHAUTAUQUA

Many of our citizens and temper ance friends have been inquiring as to the holding of a Chautauqua in Downers Grove this season. We are glad to say to all such and to all interested parties that arrangements are rapidly being completed for this year's gathering and the local committees with their helpers are planning to have the present season far surpass any previous meeting. Furthermore, that the Lincoln Temperance Chautauqua in this state is now an established success. Last year 120 cities had the privilege of this fine co-operative scheme of entertainment and instruction. This is the fourth year of the plan and 100 cities have already arranged to co-operate and so enjoy this rich feast of good talent for a whole week at a very low price. Competent critics say that this year's program is the very best one yet and the prospects for a successful season are better than ever. The local committee holding over from last year at their last meeting elected R. E. Bateman as president; L. R. Puffer, vice-president; C. A. Durke, secretary; E. M. Diener, treasurer. The following were elected as chairmen of the different committees: Publicity committee, Rev. F. F. Farmiloe; on grounds, J. H. Frankenfield; entertainment, J. R. Foster: music, L. R. Puf fer: tickets, R. E. Bateman.

The time of the Downers Grove ses sion is not known to a certainty at this writing, but it will be about the last of July or the first of August probably on Tuesday, the third day of August. Positive information will be available for the next issue. Look out for further announcements.

CHANGE IN GAME LAW.

Owing to the fact that squirrels are very numerous in the State of Illinois, it is thought best by the game department to allow the shooting of these animals during the month of June, although the new law does not go into effect until July 1st.

IMPROVEMENT ASSOCIATION.

At a meeting held some time ago in the Town Hall the old Downers Grove Improvement Association, embracing the entire village, was disbanded and the money in the treasury at the time was voted to be divided equally between the north and the south sides. subject to new organizations being founded within a reasonable time on the north and south sides. With this view in mind a meeting was called of the north side property owners a which only 3rd ward residents were present. Whereupon it was decided to organize a 3rd ward club for the pur pose of effecting such improvements as are necessary for beautifying the 3rd ward. In order to make this new organization a success we desire and hope for the earnest co-operation of both resident and non-resident property owners. On June 1, a special meeting was held at the residence of J. J. Herkins, 143 Oakwood avenue. for the purpose of organizing an im provement association confined in and embracing only the 3rd ward of Downers Grove, at which meeting the following officers were elected:

GAGE-FAIRWEATHER NUPTIALS

The marriage of Miss Mary E. Gage. daughter of Mr. and Mrs. John V. Gage of Riverside, Ill., to Mr. Howard E. Fairweather of Downers Grove took place at the home of the bride's parents on Wednesday afternoon, June 9, at 5 o'clock. Mrs. J. H. Lipsey of Downers Grove rendered Lohengren's wedding march.

The simple but very impressive ring ceremony was performed by the Rev. Dr. D. H. Jenkins of the Riverside Presbyterian church, in the presence of the members of each family and a few friends. After the ceremony a dainty wedding luncheon was served. At 8 o'clock the couple were whisked away to Chicago in an auto amid show ers of rice and confetti, and are now on an extensive honeymoon trip through the west. Going by way of the Grand Canyon of Arizona, Los Angeles, Yosemite Valley, Cal., San Francisco, and returning via Salt Lake City and Denver.

THE KINOGRAPH AT DICKE'S HALL.

The Kinograph Company of Chicago was here again last Tuesday evening, and mind; good. They had a very m teresting program. They featured on a very beautifully hand coin-ed pic ture entitled All-Baba and the Forty Thieves. This picture broaght us back to our childhood days, when we first heard of this great fairy tale. They had a good sensational picture, entitled "A Crime on a Railway," which was very realistic; also some very funny pictures; among them were "Caught With the Goods," "Child's Play," "Getting Evidence," and "What a Pipe Did." The picture entitled "Caught With the Goods," was a scream, and the picture called "What a Pipe Did," had them all looking like laughing hyenas. They also had a good histori cal picture entitled "the Spirit of '76." a good war picture, one that would appeal to anybody that loves Red. White and Blue. Then came the illustrated songs. They were sung by Mr. William O'Brien, who has played the Western vaudeville circuit with the Majestic-Trie. On account of Mr. Joe Benard's hoarseness we had to make this change. The songs were "Drifting," "Gee! But There's Class to a Girl Like You," and "Somebody Loves You." The song "Drifting" is the hit of the season. This song is published by William Rosseter of Chi cago, and he claims that it has done more business than any song he has put out in years. Mr. O'Brien sang Don't Know." This was a scream He also sang "Whistle if You Want Me. Dear" and "June. July and Aug-

The Kinograph Company will repeat again next Tuesday evening, June 22 with a program as good and a little better. Come and see for yourself: very low prices for a good show: adults 20 cents, children 10 cents.

HAYRACK PARTY.

Last Saturday night a very merry party of young people climbed into a hay rack at the home of Mr. and Mrs. Willard on North Foote street and set out for Belmont. The cause

Frank Kidwell and Rudolph Ellsworth, proprietors of the Wellworth farm at Belmont, were giving a house warming to their friends from Downers. Lisle and the farms around Belmont. They have built an addition to their two-roomed house next to the greenhouses.

The evening was enjoyably spent o'clock ice cream, cake, sandwiches and lemonade were served. The party

broke up at 2:15. If Officer Banker had been on Main street about 3:45 he might have thought a flock of canaries had hit the town, as the bunch was singing all about "I Love You, Lizzie, When the Harvest Moon Is Shining Down Behind the Sugar Cane," and all that slushy, mushy stuff. You ought to know what we mean, because it is 10

to 1 you have been in the same fix. Those who went from the Grove were Miss Mildred Briggs, the Misses Maude and Mabel Dewey, Miss Henrietta Staats, Mr. and Mrs. Frank Browers, Mr. and Mrs. Willard, Carl Stai- to allow its influence to languish. Books, magazines, daily papers, entering every home, are preaching sermons on the moral issues of life every day of the year. Yet the field of the pulpit is not pre-empted. The Christian minister may still speak with authority on the spiritual aspects of truth. The pulpit platform, with all the sacred surroundings of the playing games and dancing. About 12 sanctuary, re-enforced, too, by the preacher's personality, can make a appeal to the emotions, the imagination, the will, such as cannot come

from the printed page. But aside from the sermon itself, be It inspiring or otherwise, people ought to go to church to worship God. Should there ever arise a generation that forgets to worship at appointed times and places, moral advance will have received its deathblow. It is instinctive for man to worship a power higher than himself and it is the Christian Church which conserves this instinct. The church has always been too closely identified with the moral and intellectual progress of mankind every man "to lend a hand" than to have a revival of the good habit of church-going?

CHILDREN'S DAY AT THE BAP-TIST CHURCH.

Last Sunday morning the children of the Sunday school at the Baptist church rendered the beautiful service, entitled "The Message of the Flowers." which in the opinion of all who heard it was the most beautiful and best handled program given for years in this church. At certain portions of few days' work. Give him a call. the service the little folks rendered their parts so admirable, as to make it impossible for the congregation to resist the impulse to applaud.

The decorations were very simple, being made up of a pergola in white, with vines so trimmed over it as to present a beautiful effect. This, with the natural foliage and flowers which were everywhere present, made the scene a very attractive one.

The officers in charge wish to ex press publicly their gratitude to all those who assisted in any way in making these exercises the success which
