## VESTA CHAPTER, NO. 242, O. E. S.

Entertains Grand Officers of the Order.

Tuesday, Sept. 14, was a gala day in the history of Vesta Chapter No. 242 O. E. S., this being the date set for the official visit of Mrs. Effie M. McKindley, Worthy Grand Matron of the State of Illinois and her corps of officers.

The festivities were ushered in by a luncheon in honor of Mrs. McKindley, given by Mrs. J. C. White. Those present were Mrs. Effle M. McKindley of Morris, Worthy Grand Matron; Mrs. Amalia Huehl, of Chicago, Associate Grand Matron; Mrs. Ida G. Cove, of Leland, Grand Adah; Mrs. Natalia A. Leach, of Ravenswood; Committee on Confidential Circular; Mrs. Henrietta B. McGrath, of Blue Island, and Mrs. C. Mae McRea, of Chicago, Past Worthy Grand Matrons, and Mrs. Annie Griffiths, Worthy Matron of Vesta Chapter of Downers Grove.

Mrs. White was assisted in serving by the Misses Jennie Griffiths. Florence Foster and Winnifred Duthie.

At 6 o'clock the Ladies' Aid of the Congregational Church served a most bountiful and delicious dinner, about eighty partaking of the feast. The ladies deserve much credit for this un dertaking, the dining room of the church being beautifully decorated in pink, this being carried out in the table decorations as well.

At the close of the dinner all repair ed to the Masonic Hall, where the gavel sounded promptly at 8 o'clock. The hall was a beautiful sight with its decorations of American flags, bunting, flowers and lights, and reflects much credit on the decorating committee, and especial thanks are due to our fellow-townsman, Mr. A. P. Daniels, for his kindness in furnishing decorations and also for his personal assistance.

The distinguished guests occupying seats with the presiding officers in the East were

The singing of "Rock of Ages" by the quartette was one of the striking | purchase of our present county farm, events of the evening.

As this was the inspection of the ritualistic work by the Worthy Grand Matron, the officers and members were well pleased at her words of commendation. At the close of her address the Associate Matron, Mrs. Clara B. Nash, assisted by Mrs, Grace Blodgett, Miss Beulah Simonson, Miss Bessie Nash, Miss Bertha Mochel, and Miss Elizabeth Krambs, officers of our central star, in a beautiful ceremonial presented our honored guest with a set of emblematic spoons.

This seemed to be a night of presentations, for following close came a presentation by Mrs. McKindley, in behalf of Vesta Chapter, to Mr. and Mrs. C. G. Graves of a set of sterling silver tea spoons, not only in recognition of their many acts of kindness. but in honor of the fortieth anniversary of their marriage. They were escorted to the East, to the strains of the Lohengrin wedding march. Both responded feelingly to the Worthy Grand Matron's gracious words of pre-

Then Mrs. Susan F. Foster arose and in most beautiful language, voicing the love and esteem of the chapter members, presented to Mrs. J. C. White a beautiful rocking chair. It proved a genuine surprise, but was accepted in the spirit in which it was tendered. P. P. Foskett mingled with the mem-

PROCEEDINGS OF THE BOARD OF SUPERVISORS OF DU PAGE | o'clock P. M., sharp COUNTY RELATIVE TO THE PURCHASE OF A COUNTY FARM.

At the request of the supervisors of Du Page county I have made a search of the records of the proceedings of the various boards leading up to the the number of acres and the cost of same, also the cost of improvements on said farm at the present time.

At a meeting of the board on August 10, 1880, Supervisors Glos, King, Rathje, Churchill, Curtiss and Atcherson were appointed a special committee to make investigation as to the advisability and expense of providing a place for the poor and incurable insane of the county with instructions to report at next meeting.

At a subsequent meeting the special committee made the following report: Your special committee beg to report they do not believe it expedient to take any action in the matter of the purchase of a county farm at this

On motion of Supervisor Churchill the same committee was continued with power to act.

At a meeting of the board on July 10. 1882, the special committee on county farm made the following re-

Your committee to whom was referred the matter of the purchase of a county farm wherein the poor of the county shall be kept and also such of our insane as shall not be admitted to the state asylums, respectfully report they visited the county poor farms of Kane and Lake countles and find upon inquiry that the inmates in these institutions have better care than would be possible under the system now in practice in Du Page county, to wit: (Each township caring for its own poor.) That the expense of caring for our poor under the system now in practice is more than double the cost of Kane county and more than four times the cost of Lake county. Kane county has at the present time 73 inmates in its almshouse and the cost per capita per week we find to be \$1.36, including physicians' bills and clothing. Lake county has 40 inmates in its institution and the cost per capita per week for its inmates for four years last past we find to be 66 cents each, including all expenses. The Lake county farm was bought at a time when land was cheap and at this time is valued at \$18,000 and we value the Kane county

institution at \$25,000. The several townships of Du Page county have in the last five years paid for the care of its poor the sum of \$20,755, or an average of \$4,151 per | Hauptfeurer, of Evanston, Ill., wil year.
