DOWNERS GROVE, DU PAGE COUNT LLINOIS, SEPTEMBER 24, 1909

POULTRY CLUB.

Several members of the Downers Grove Poultry Club met last Friday evening and made arrangements for another exhibition, to be held in the Auditorium Jan. 13 to 15.

Greater enthusiasm than ever was shown and the plans already formulated will prove that the coming show will surpass all former shows and will go on record as being a credit to the positry club and the town.

The people of Downers Grove ought to feel proud of the poultry club. Nevertheless it is only a local organization, but the secretary being well known as a poultry man, informs the poultry world from coast to coast that our poultry club is one of the best in the country, and Downers Grove gets a good share of advertising.

Geo. M. Kline is the secretary, and he will be pleased to advise all exhibitors intending to show how to get birds in the best possible show condition.

All members of the club are allowed free admission to the show. This is a good inducement for any one intending to make a few visits to the show to become a member and also derive

The next meeting of the club will be held at the village hall Friday evening. Oct. 15th. W. H. Edwards will have on exhibition some of his prize winning Barred Plymouth Rocks. These birds will be scored according to the Standard of Perfection.

IMPORTANT NOTICE.

A meeting of the citizens in our vil lage interested in the entertainment course for the season 1909 and 1910 are requested to meet at the office of Mr. D. G. Graham on Saturday evening. Sept. 25, at 8 p. m. Come and belp the Executive Committee to make this coming season's entertainment course a successful one by your presence and support.

Order Executive Committee. Johnstone, Secretary,

RALLY DAY AT THE CONGREGA-TIONAL CHURCH.

The annual rally day of the Congregational Church was held last Sunday at the regular Sunday school hour.

A special program was rendered, in cluding a reading by Miss Corniels and two vocal solos by Miss Lillian Johnson of Chicago and singing by members of the school.

The attendance for the session was 193, with a considerable number of our regular members still away.

The Sunday school officers would like to see more of the parents of the boys and girls at the school, for their help is needed in this great work. The graded work will be adopted the

first of October, which will mean more thorough Bible knowledge and training than has been received before. A cordial invitation is extended to those who are not connected wth any other school to come and visit.

MISS WALBAUM'S RECORD.

Miss Selma Walbaum Breaks the World's Record in Relay Race State Fair in this line. at Madison, Wisconsin.

In the Allie Wooster relay race at Madison, Wis., last Wednesday Miss Selma Walbaum, daughter of Mr. and the benefits of the club during the Mrs. H. W. Walbaum of this place, broke the world's record by 28 seconds. Three young ladies had entered the race, Miss Walbaum being one of them. The race was over a four-mile course. and a fresh horse was awaiting Miss Walbaum at every mile. The course was run by her in seven minutes and twenty-nine seconds, breaking the records by twenty-eight seconds.

Miss Walbaum will return to her home here on Saturday for a few days' rest, and on Tuesday she will meet Mrs. Wooster in Chicago, from where they will start for Trenton, N. J. From Trenton they will go to Brock-

Miss Walbaum is now trying to break her own record, which has in spired her to greater success. -Antioch Advertiser.

British use of American shoe mak ing machinery and the making of hall sizes and various widths has lessened the sale of American shoes in England, or, rather, kept down the expected increase. The American shoe stores in Birmingham and London are doing well, however.

When you hear a girl speak of a young man as being a bear-well, you can draw your own conclusions.

THE ILLINOIS STATE FAIR COUNTY CONVENTION W. C. T. U.

SPLENDID PROGRAM--OCT. 1-9.

Greater Than the World's Fairs-\$70, 000 in Cash Premiums—Season's Big Racers-Night Horse Show-Accommodations for All-Better Go.

There is plenty at the Illinois State Fair this year (October 1-9) to entertain everybody for every one of the nine days. It is the Greatest Fair on Earth this year, greater than in 1308. The exhibits far exceed the space. The "Bay of Naples" between the street car tracks and Machinery Hall and the wonderful Dome building, has been filled in with solid clay. The space is gilt edge and was instantly snapped up by farm implement, vehicle, fence and windmill exhibitors who were unable to secure space in the Monster Machinery Hall and its Annex.

The exhibit of modern farm implements, vehicles and utensils is the most wonderful show in the country. The Worlds Fairs at Chicago and St. Louis did not approach the Illinois

mar, bought three pieces of farm who, will be posted through the whole estate pleted the freshmen year in a standard machinery at the fillinois State Fair in been posted through the whole estate pleted the freshmen year in a standard 1904, ordering shipment to be made to as a warning. Furthermore, a reward littinois college and who are at least his home. "I spent a week at the St. will be paid to any se giving informs, mineteen years of age and not over agricultural show there looks like 30 any game. John B Bryan has charge mation. cents compared to the Illinois State of the woods.

Seventy thousand dollars in cash premiums will be disbursed this year by the Illinois State Fair. The total has been slowly climbing the ladder for years. Fifteen years ago, when the Fair was held at Peoria, the total amounted to about \$25,000.

The Fair has outgrown its clothes in every department. It has become so immense that the State Board of Agriculture has not been able to keep pace with the demands for space and even the monster buildings are taxed to accommodate the throngs of people.

Over 2,000 prize sheep and swine were housed in pens and tents during sufficient room in the pavilions set apart for them. Four years ago an immense cattle barn was erected, but the demand for space has already outgrown its walls. The horse department also is crowded to the limit. But the exhibitors come to the State

Fair, because it is the Greatest Pair on Earth. No other Pair shows the quality and quantity of fat stock, pedigreed and prize-winning stock. The demand for more space for the

became so insistent that the Board as "The World's Largest Music House, made a change this year. The great is conducting an unprecedented alterahorticulture department will be found tion sale in their Piano Department. in the north wing of the Exposition;

The entire center of the immense Worlds Fair Dome building will this year be given over entirely to floriculture and it will be the most wonderful spectacle in the Fair grounds. From the balcony above a vision of laveliness will be presented on the floor

for flowers and plants. The Domestic Science department is 40 per cent. not neglected, either. A carload of If you have in mind the purchase Over 100 young ladies are domiciled' in the Women's Building where under experts they are taught to cook and roast and bake, and fry and broil, besides lessons are given in nursing and household hygiene. They live in the beautiful and commodious building dedicated to the Women of Illinois. Miss Gertrude Doyle, Secretary, Winchester, will furnish particulars.

There will be some wonderful horse racing every day, beginning with Mon-; a. m. High mass first Sunday of month, day. The purses are fat, the track is Pastor J. A. Bollman. fast and the grandstand always cool and pleasant. Superintendent Hopkins is negotiating for the season's sensational racers, Hedgwood Boy and Lady
