AMUSEMENTS.

MAJESTIC.

Following the plan of the management which has resulted in so many novel and successful bills, the Majestic Theater, Chicago, will for the week of July 8th present several entirely new acts of the highest quality, which will attract attention not only on account of their merit, but by reason of their novelty.

One of the principal features will be Miss Wish Wynne, an English comedienne, who comes to Chicago for the first time with a reputation as the very best among the character comediennes of England.

Another big novelty act on this bill will be a dancing ensemble of remarkable quality called the Ballet Classique.

Ed Blondell, the noted comedian, with his company will produce a comedy sketch which includes about as many laughs to the minute as any sketch possibly could.

Billy Gould and Belle Ashlyn will be very important features of the program with their novelty singing, talking and dancing act. Simondet, a high-class tenor, who comes with more than an ordinary reputation, will present a number of popular arias, and the noted Five Sullys will appear in a comedy sketch in which they are said to convulse the audience for twenty minutes at a time. Techow's wonderful trained cats will give an example of what can be done with these most difficult animals. All of these remarkable acts combine in a lively hot weather show, which would be considered a most important exhibition even in midwinter when the most is expected.

His Grounds. By a queer trick of politics an ignorant and pompous old dandy was elected judge of a minor court in a certain western state. In the first case over which he presided he made a ruling so absurd that the lawyer whose case was affected by it said: "This is a very strange ruling, your honor. Upon what grounds do you make it?" "What grounds—does you say? Why, dese yer co'thouse grounds, of co'se!" replied the judge.—Judge.

Useful Accomplishments.

Every woman wants a cozy corner all her own—be that corner humble or handsome.

Every woman who does not have the home longing is abnormal. Home is made up of little things.

One of the largest of these little things is the ability to cook wholesome food.

Bewing and music are next. A woman might be as homely as can be, but if she can cook a good dinner, make a dress, and let her mood slip out of her finger tips on a piano, that woman will have a chance for a truly happy home a thousand per cent better than her beautiful neighbor who cannot make even an apron, and who cooks badly for her family.

So I say to mothers, whether you have money or not, teach your daughters all the useful and necessary things in life, so that they will make good, homelike wives and mothers.

GREAT MASS OF PROOF.

Reports 30,000 Cases of Kidney Trouble, Some of Them Downers Grove Cases.

Each of some 6,000 newspapers of the United States is publishing from week to week, names of people in its particular neighborhood, who have used and recommended Doan's Kidney Pills for kidney backache, weak kidneys, bladder troubles and urinary disorders. This mass of proof includes over 30,000 testimonials.

Downers Grove is no exception. Here is one of the Downers Grove cases: Martin, white, 95 East Curtiss street, Downers Grove, Ill., says: "About two months ago my back pained me and when I moved, sharp twinges darted through my loins. The kidney secretions were highly colored, passed too frequently and contained a heavy sediment. Doan's Kidney Pills, which I procured at Bush & Simonson's Drug Store, cured me completely. I am convinced that there is no other remedy as effective in curing kidney complaint as Doan's Kidney Pills."

BASE BALL

The Naperville, with three East Grove players and a Downers Grove battery, defeated the Colts by the decisive score of 6 to 1 in a well-played game at East Grove. The Naperville only showed up with four players.

The Colts scored one run in the first inning off Hartzell and then George Duncan and Stanley McLean went in to show the Colts what big-league ball was like—and they did.

For eight straight innings it was nothing but goose eggs. George had all kinds of "stuff" on the ball and his drop ball was a dazler.

He "Muffed" the Ball.

Forrest Nash pitched 16 consecutive innings when he completed the last game, having pitched seven innings in a previous practice game. Following is the score:

Cantines Maternelles.

There are five dining-rooms in Paris where from fifty to eighty nursing mothers daily receive free meals. Cantines Maternelles these restaurants were called when they were started eight years ago by Mme. Henry Couillet of Paris. At first the only passport needed was the possession of a baby, but owing to the development of a confusing habit of borrowing babies so as to procure a meal, the rule was altered, and the provision of free meals is now dependent upon regular attendance at an adjoining baby clinic.
