

Lindley's Real Estate Tips

A nice little home in good location for \$1,400...

A good size, nearly new house on North Main st., within one block of depot.

Yes, Lindley sells Auburn automobiles, powerful, handsome, easy to operate...

Come and see me about a property I have for \$3,750, which actually cost \$7,500...

ONE ACRE, THREE MINUTES WALK from station; house in good condition; has five large rooms; yard all under fence...

127-ACRE FARM, THE GOOD, OLD prairie article, with good buildings, stone road all the way to town...

SIX-ROOM BUNGALOW, 12 MINUTES' walk from station, for \$2,400. It is outside corporation where there are practically no taxes...

A GOOD HOUSE ON 2 1/2-ACRE POULTRY place. Ask about it. Less than 15 minutes' walk from depot.

ANOTHER ABOUT SAME DISTANCE, has 1 1/2 acres with all poultry paraphernalia, cow, horse, poultry, etc., for \$3,500.

\$1,600 FOR A SIX-ROOM HOUSE IN good condition, on Washington street south side 50 ft. lot...

AN UP-TO-DATE 9-ROOM HOUSE, with but 12x20 ft. lot on north side...

SOME HIGH, WOODED, NICELY LOCATED, inside east lot on north side for \$450...

What have you in way of equity in a house and lot here to swap for a Chicago south side 50 ft. lot?

\$2,500 will buy \$6,500 worth in a south side 2-room house. This house is expected to be built very convenient and in apple pie condition...

5 and 10-acre tracts, as pretty as you ever laid eyes on, just outside town, \$500 per acre. Easy terms.

A modern 7-room house, with 100 ft. of ground in a desirable locality for \$2,100. Should appeal to home-seekers...

If you would be interested in a couple of good acres, with a splendid house just in edge of town, see photo of this one. House has six rooms, furnace, gas, etc. An abundance of shade. Price \$4,500. Easy terms.

Thirty-six acres vacant, a short distance out on stone road, for \$150 per acre. This is well worth looking up if you can use it. Right cut in price. One beautiful 10-acre piece can be sold separately for \$300 per acre.

We write Aetna, fire, tornado and automobile insurance, and we are a Notary Public.

Up to date will buy a five room cottage, up to date in every particular, with lot 50x200 feet on west side. It is too small for present owner.

No matter where you go or what you pay you cannot beat this: six large rooms, enclosed in walls that are not only substantial but artistic, excellent taste, being shown everywhere. Hardwood floors everywhere and every convenience possible. Extra large porch, beautiful natural oak trees, 125 feet of frontage. If you or any friend is likely to be interested, ask for photograph. House is new. \$5,500.

Another good farm, a little further from here but nearer Lombard, 120 acres and a lot of good buildings, \$125 per acre.

Eight 50 ft. lots in a square chunk, sloping southward, five minutes' walk from the new depot, \$1,000 takes the whole works. Investments paid, and nearly all assessments paid.

Something nice on Maple avenue in a six room, nearly new, up-to-date place for \$5,000. Has extra large living room such as you planned in your new house, also large porch. Immediate possession.

Could you use a country home on the Butterfield road? Contains 1 1/2 acres, is about two miles from a third rail station and a little further from Downers Grove. All kinds of fruit and a good garden. Price \$1,800.

Ten acres good timber just north of town for \$1,200. By using your head a little in buying this you can sell enough cord wood from it to pay for it, and have the land for profit, without having to lift a hand.

We will appreciate the privilege of sending to your friends a very complete list of properties, improved, vacant, farms, etc., which we have for sale. None need escape if variety of price and terms will do the work.

Call, write or telephone.

WHEN HER BACK ACHES A Woman Finds All Her Energy and Ambition Slipping Away.

Downers Grove women know how the aches and pains that often come when the kidneys fail make life a burden. Backache, hip pains, headaches, dizzy spells, distressing urinary troubles, are frequent indications of weak kidneys and should be checked in time. Doan's Kidney Pills are for the kidneys only. They attack kidney diseases by striking at the cause. Here's proof of their merit in a Downers Grove woman's words: Mrs. Jacob Schaller, 97 S. Main St., Downers Grove, Ill., says: "For two or three years I suffered off and on from attacks of backache. I had dull, heavy pains in my loins and there was a weakness extending from my hips downward. The least exertion tired me and I often had to sit down and rest. The kidney secretions also caused much annoyance and plainly showed that I had kidney complaint. Several months ago I had the good fortune to learn of Doan's Kidney Pills and I immediately began their use, procuring my supply at Bush & Simonson's Drug Store. No other medicine ever brought me such great relief as this one. Since taking the contents of two boxes of Doan's Kidney Pills, my back has been entirely free from pain and my kidneys have caused me no trouble whatever."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

Pedestrians. A teacher in a primary school was endeavoring to make clear to her class the meaning of the words "equestrianism" and "pedestrianism" when she put this query to one small boy: "What is a pedestrian?" "He is one of those fellows," said the boy, "who makes an awful kick when an automobile runs him down."

Quick Decision. "Huh!" snarled the railroad editor. "Here's a story that in one place calls a man a Bridge and in another place refers to him as Bridge. What do you think of that?" "Merely a question of you or I," remarked the statehouse man, flippantly. And the railroad editor, who was inclined to egotism, decided in favor of "Bridge."

Superior Judgment. "So you suspect that men are quicker of judgment in practical matters than women?" "Yes," replied Miss Cayenne. "Men have heeded the warnings of the newspapers and quit buying gold bricks, but women continue to marry for money."
