

**GOOD ROAD NOTES.**

By Homer D. Wade.  
Chairman Good Roads Committee National Farmers' Union.

No other citizen realizes the value of good roads as does the farmer. A community can safely be judged by the kind of highways it maintains.

The greatest chasm between the producer and the consumer is the mud hole.

Production must cease when the transportation costs eat up the profits. There is something radically wrong with the farmer who is opposed to good roads.

Without good roads, there can be no development that will be permanent and enduring.

Bad roads keep children away from school and impair the efficiency of church work in a community.

The elementary principles involved in improved highways are social and domestic happiness and business economics.

**OUR HATS OFF TO THESE FARMERS.**

No horse for sale at any price for war purposes is the declaration of Jefferson county, Nebraska, farmers, according to a report from Fairbury in that State.

They were met there by a buyer from Kansas, who said he was willing to pay top figures for animals suited for cavalry and artillery purposes in the European war. The farmers admitted they had some horses for sale, but said they were too much attached to them to have them sent to a far-off country, probably to be killed on the battle fields. 2-22-15.

**Debt Liquidated.**

"Well, I've settled that there note I've been owing Jack Gap for so long!" triumphantly stated a prominent citizen of the neighborhood of Rumpus Ridge. "That so?" returned another and equally prominent resident of the same locality. "Where'd you get the money?" "Aw, it didn't take no money! I just shot Gap."—Judge.

**LISLE CONGREGATIONAL CHURCH.**

S. R. Schieb, Pastor.

Good meetings last Sunday. Mr. Frank Grain, student at the Ev. Theo. Seminary, preached for us last Sunday, because of illness on the part of the pastor. In the evening the pastor gave the story of his life to a very appreciative audience. So well did the story take with the audience that he was asked to give it more complete in the near future. The weather was moist from above and beneath but nevertheless a large number of people gathered to hear the story of one who has seen both sides of life. The pastor will give the remainder of his life's story some Sunday evening in the near future, the date to be announced in the Columns of this paper.

Special treat next Sunday. Do not fail to come and hear a blind preacher next Sunday night. Mr. William Barnhope, who lost his sight during a fourth of July accident, but owing to his determination to overcome his barrier, he went to the Ohio State Institution for the blind, from which institution he graduated with high honors. Mr. Barnhope, is a graduate of Northwestern College, Naperville, of the class of 1914. Of this class he carried very high honors, as well as the esteem of every one of his classmates. He is a marvel of our time, in showing that a strong determination knows no obstacles. You come and hear him next Sunday night.

Our Sunday School is now organized on a good Sunday school basis and we are inviting you to come and share with us all that we have. We would be more than glad to shake your hand next Sunday at any or all of our services. Come and we will do you good.

**THE MOODY BIBLE INSTITUTE**

The Rev. Robert McWatty Russell, D. D., LL. D., president of Westminster College, has just accepted the call of The Moody Bible Institute of Chicago to the Chair of Doctrine and Homiletics, and also will be associated with the Dean, Dr. James M. Gray, and other members of the Faculty, in Evangelistic and Bible Conference work throughout the country as well as in the editing of the Christian Workers Magazine.

Dr. Russell is a native of Pennsylvania, where he received his college training and acted as principal of McKeesport Academy before graduating from the Allegheny United Presbyterian Seminary. He has held two pastorates, one for six years in Caladonia, N. Y., and the other for nearly 16 years in the Sixth Church of Pittsburgh, both being marked by evangelistic and missionary enthusiasm. During the period of his Pittsburgh ministry his church contributed more than \$1,000,000 for Home and Foreign Missionary purposes. In 1905 Dr. Russell accepted the Presidency of Westminster College, since which time the plant has been completely renovated, and a total of more than \$200,000 secured for betterment and endowment. Dr. Russell represented his denomination at the Pan-Presbyterian Conference in Edinburgh in 1896, and served as Moderator of the General Assembly meeting in Atlanta in 1913. He is a preacher and Bible teacher of exceptional ability and power, and will add strength to the Faculty of the Institute.

**Highland Tartans.**

In the old days it was only the Highlanders that had tartans for the clan. Later the people settling near the border, who were known as the Lowlanders, adopted the tartans and invented some of their own. Most of the historians writing of tartans disregard those of the border clans.
