The

First National Bank's

Landis Christmas Savings Club

The Landis Christmas Savings Club was a happy thought. The phenomenal success of this proves it performs a valuable service in the community.

The Great Advantage

of the

First National Bank's

Landis Christmas Savings Club

is the co-operative feature. It encourages many to do what few would accomplish individually. It proves the old maxim that in union there is strength. Members help themselves and help others at the same time. They are sustained in their efforts to save by the enthusiasm of the multitude and have the advantage of system and organization—which finds the highest attainment in a successfully conducted bank.

Every person in DOWNERS GROVE should join our **Landis Christmas Savings Club**. It directly benefits members personally and at Christmas booms business for the merchants and helps the town morally and commercially.

Hot Water For The Laundry

A GAS WATER HEATER

and with the lighting of a match and the opening of a faucet your responsibility of delivering hot water to the tubs ends. The Gas Water Heater lifts from your mind the burden of preparing hot water.
