SCHOOL NOTES

The following books have been purchased for the supplementary reading list for the North Side School:

First Grade-Free and Treadwell First Reader. This is a splendid reader, containing the best literature for a school reader. Children are all interested in and enjoy the simple folk tales, which are the literary products of many minds, and which have survived the centuries because they represent universal human experiences and satisfy certain common needs of childhood.

Second Grade—The Beacon Second Reader, to follow up next year the excellent work that has been done this year in the first grade with the Beacon chart and first reader.

Third Grade-East o' the Sun and West o' the Moon, by Gudrun Thorne-Thomsen. This contains the folk and fairy stories, fables and legends, not only as a means of fostering and dination, but as a basis for literary throughout life.
